The Malakoff Diggins State Historic Park is the site of the largest hydraulic mine in California, and is located approximately 26 miles outside of downtown Nevada City.

Hydraulic mining was the process of forcing water under high pressure and directed through hoses and nozzles called monitors (shown above) to wash away mountain sides. This process allowed miners to process greater quantities of ore in search of gold.

December 30, 2011

To the Honorable Board of Supervisors and the Citizens of the County of Nevada:

The Comprehensive Annual Financial Report (CAFR) of the County of Nevada for the fiscal year ended June 30, 2011 is hereby submitted in compliance with Sections 25250 & 25253 of the Government Code of the State of California. These statutes require all general-purpose local governments to issue an annual report on the financial position and activities of that government. The report must be presented in conformance with generally accepted accounting principles (GAAP) and must be audited by an independent firm of certified public accountants in conformance with generally accepted auditing standards (GAAS). The financial statements contained in this CAFR meet these requirements.

Management assumes full responsibility for the completeness and reliability of the information contained in this report, based upon a comprehensive framework of internal control that it has established for this purpose. Since the cost of internal control should not exceed anticipated benefits, the objective is to provide reasonable, rather than absolute, assurance that the financial statements are free of any material misstatements.

The financial statements contained in this CAFR have been audited by Smith & Newell, a Professional Corporation of Certified Public Accountants. Their audit was performed in accordance with GAAS. The auditors have concluded, based on their audit, that the financial statements combined with the accompanying footnotes present fairly, in all material respects, the financial condition of Nevada County as of June 30, 2011. A copy of their report is located at the front of the financial section of this CAFR. In planning and performing the audit of the financial statements, Smith & Newell considered the internal control structure of the County in order to determine appropriate audit procedures. During this review, no required reportable conditions were noted; however, several opportunities to strengthen internal control and operating efficiency were recommended. This information was presented in a letter to the Board of Supervisors and management.

Management is required by GAAP to provide a management discussion and analysis (MD&A) in conjunction with financial statement reporting. The purpose of the MD&A is to introduce the basic financial statements and to provide an analytical overview of the financial activities of the County. The MD&A can be found immediately following the report of the independent auditors.

In addition to the annual audit of this CAFR, the County is required to undergo an annual single audit in conformity with the provisions of the Single Audit Act of 1984, the 1996 amendments to that act, and the US Office of Management and Budget Circular A-133, “*Audits of States, Local Governments and Non-Profit Organizations.*” Information related to the single audit, including the schedule of expenditures of federal awards, findings and recommendations, and the auditors’ report on the internal control and compliance with applicable laws and regulations are presented, in a separate publication.

PROFILE OF THE COUNTY OF NEVADA

General Information

With an area of about 978 square miles, the County of Nevada is situated in the gold country of northern California. The County is located about 45 miles northeast of Sacramento, 130 miles northeast of San Francisco, and 12 miles southwest of Reno, Nevada. It is bordered by Sierra County to the north, Yuba County to the west, Placer County to the south, and the State of Nevada to the east.

County Government

Nevada County was organized by an act of the legislature, approved May 18, 1851. Before that time it had been a part of Yuba County, but the growth of population and business following the gold rush of 1849-50 plus the distance of the courts for trial of important criminal and civil business, resulted in the move for a separate county organization.

The County is a general law county and is governed by a five-member Board of Supervisors, elected to serve four-year terms. Each is elected from one of the five supervisorial districts of the County. Supervisors from District 3 and 4 are elected in gubernatorial election years (2006, 2010 etc) while supervisors from Districts 1, 2 and 5 are elected in presidential years (2008, 2012 etc.). District boundaries are adjusted after every federal census to equalize district population as closely as possible.

The Board of Supervisors is the legislative and executive body of County government and also serves as the governing body of the Nevada County Sanitation District No.1 and the Nevada County Housing Authority. In addition, members of the Board represent the County on numerous intergovernmental bodies. In its legislative duties the Board adopts ordinances, resolutions and rules within the limits prescribed by State law and is responsible for seeing that all Federal and State mandated functions are properly discharged.

As an executive body, the Board determines annual budget allocation; approves contracts for public improvement projects and other specialized services; conducts public hearings on matters such as zoning appeals and planning issues; provides for the compensation of all County officials and employees; creates offices, boards and commissions as needed, appointing members and fixing the terms of office; directs an annual audit of all County accounts, books, and records; provides policy direction to the County Executive Officer for the operation and administration of County departments; and exercises executive authority for the provision of local government services to County residents.

The remaining elected officials are the Assessor, the Auditor-Controller, the Clerk-Recorder, the District Attorney, the Sheriff and the Treasurer-Tax Collector. The County Executive Officer (CEO) is appointed by the Board to run the day-to-day operations of the County.

County Services

The County, with an average 836 full-time equivalent employees, provides a full range of services to its residents including public safety protection; corrections and probation; construction and maintenance of roads, bridges and other infrastructure; health services; public assistance programs; sanitation services; environmental services; libraries; and a variety of other general governmental services. Every resident of the County, directly or indirectly, benefits from these services. Most services performed by the County are provided for all residents, regardless of whether those residents live in cities or unincorporated areas. The County prides itself on being innovative in the delivery of services to its citizens. The following is a sampling of recently deployed service enhancements:

- Working with 21 other libraries in the North Net Library System, the library delivered audio and e-books free to library cardholders through a subscription service called Overdrive's Library ToGo.
- Social Services – Veterans Services created a new support center providing Veterans with access to computers, internet, phones, and faxes to conduct research and locate community resources.

- Behavioral Health in collaboration with the Tahoe Truckee Unified School District and Nevada Joint Union High School District created a Teen Suicide Prevention Program.
- Social Services - Child Welfare Services created a 22 minute DVD titled “It’s in Your Hands Now” intended to educate parents entering the child welfare system.
- Information Services – Geographic Information Systems (GIS) Division launched a new web application for internal users called “Employee Map Portal” and for the public users “My Neighborhood” application.

Accounting Information

The accounts of the County are organized on the basis of funds, each of which is considered a separate entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues and expenditures or expenses as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which the spending activities are controlled.

The governmental reporting entity consists of the County and its component units. Component units are legally separate organizations for which the Board of Supervisors is financially accountable or other organizations for which the nature and significant relationship with the County are such that exclusion would cause the County’s financial statements to be misleading or incomplete. The following blended component units are considered to be part of the primary government for reporting purposes: Nevada County Sanitation District, the Nevada County Housing Authority, the Nevada County Finance Authority, Special Districts governed by the Board, and Special Assessment Debt with County commitment. Note 1 of the Notes to the Financial Statements contains additional information on these entities.

Budgetary Process

The County is required by State law to adopt a balanced budget by July 1 of each fiscal year. The process begins in February with budget instructions issued to departments by the County Executive Officer (CEO). Department heads are responsible for preparing and managing their budgets. The County Executive Office reviews departmental projections for expense and income accuracy, consistency with budget policies, and planned attainment of the County’s goals and objectives. As a recommending body to the CEO, a Budget Subcommittee is appointed, whose members provide a comprehensive review of department requests for service levels, funding, and staffing. The subcommittee consists of two members of the Board of Supervisors. Also serving as advisors are the elected Auditor-Controller, the County Executive Officer and the Deputy County Executive Officer. The Board of Supervisors is responsible for adopting the budget, after considering it as a whole, and gauging its success in reflecting County goals and priorities for the community. After adoption of the budget, the County Executive Office staff reviews and monitors revenues and expenditures quarterly and assists departments in fiscal management as necessary.

The County Auditor-Controller is responsible for monitoring and reporting expenditures within budgeted appropriations. Budget information is presented for the general and special revenue funds. This budget data is prepared on the modified accrual basis consistent with comparable actual amounts. Budgets are also adopted for the enterprise and internal service funds. Budget appropriations represent original amounts adjusted by budget transfers and appropriation amendments. Encumbrance accounting is utilized during the year for budget control purposes. However, encumbrances outstanding at year-end do not constitute expenditures or liabilities, but rather reserves of fund balances. Unencumbered budget appropriations lapse at the end of the fiscal year.

The CEO may approve transfers of appropriations between major objects of expenditure within the same service budget unit (SBU) and fund. The Board must approve amendments or transfers of appropriations between SBUs within any fund and supplemental appropriations necessary and normally financed by unanticipated revenues during the year. Any deficiency of budgeted revenues and other financing sources over expenditures and other financing uses is financed by beginning available fund balances.

LOCAL ECONOMY

Population

The 2011 estimated population figures, as provided by the California Department of Finance for the County, are 99,111. This is up slightly from 2010 with about 67% or 66,614 of the residents living in the unincorporated areas. The Town of Truckee is the largest of the three cities within the County, with approximately 16,212 residents in 2011. The City of Grass Valley is the second largest city within the boundaries of the County with a population of 12,883. Nevada City serves as the County seat with a population of 3,121.

Labor Force

The County's 2011 labor force totaled 50,170, a decrease of 2.4 % from 2010 figures. Nevada County's unemployment rate in June 2011 was 11.4 %, a decrease of 0.1% from June 2010. California's statewide rate was 12.1 % for the same June time period.

Housing

According to the California Association of Realtors, approximately 1,514 homes in Nevada County were sold in the calendar year 2010. Prices remain impacted by the general housing market trends, and prices of local homes sold declined by 13.5% to a median price of \$240,000 as of October 2011. The Grass Valley area has shown the largest one-year decrease of 19.1% with the median home price dropping from \$215,000 to \$174,000.

Property Tax Collection and Apportionment

Property taxes levied countywide (secured, unsecured and unitary) dropped in fiscal year 2010-11 to \$156,418,097. This was a 7.12% decrease over the previous fiscal year total of \$168,411,039. The Auditor-Controller calculates the local property tax bills based on assessed values as provided by the Assessor. The Treasurer-Tax Collector then distributes the tax bills and is charged with the collection. In fiscal year 2010-11, the Auditor-Controller apportioned the revenue as follows:

- Nevada County General Fund: 14.0%
- Schools: 56.2%
- Special Districts: 19.6%
- Cities: 10.2%

Debt Administration

Contained within the County's tax code area are numerous municipalities, school districts and special-purpose districts providing public services. These entities have outstanding bonds issued in the form of general obligation bonds.

Direct debt constitutes debt directly issued by the County while overlapping debt constitutes that portion of the debt issued by different public entities within the same tax code area as the County's. The County is not responsible for overlapping debt of the other local agencies.

The County has \$73,250,199 in direct debt outstanding as of June 30, 2011. This includes the 2001 Certificates of Participation, capital leases, special assessment debt, loans payable, compensated absences, accrued claims payable and landfill post closure. This amount also includes the Sanitation District's State Revolving Fund loans for three major plant upgrades.

RELEVANT FINANCIAL POLICIES

Budget Policies

The Board of Supervisors adopted several policies to guide the preparation of the budget. The following are several key items:

- Every effort will be made to provide same level service as the prior year. This may require the reorganization or streamlining of current resources.
- There will be no unfunded positions included in the budget. All vacancies will be reviewed for need and potential elimination. Revenue contingent positions that lose their State and Federal funding will be eliminated first before other cuts are enacted.
- The budget will only use reserve funds for emergency and one-time expenditures or for purposes designated to fund. Every effort will be used to preserve reserve funds.
- There will be a high level of fiscal discipline by the Department Heads, Budget Subcommittee, County Executive Office and Board of Supervisors. Every effort will be made to maximize County assets, achieve a high level of funding for employee retirement promises, evaluate cost per service item and develop and maintain contracts with vendors within Nevada County.

Fund Balance Policies

The Board of Supervisors took the first step in establishing a comprehensive fund balance policy for the County's General fund in June 2011. In an effort to maintain the County's credit rating and meet seasonal cash flow shortfalls, the Board has established and committed to maintain a minimum unrestricted fund balance in the General Fund equal to two months of annual revenue within the Discretionary Revenue category as defined in the adopted budget.

Long-term Financial Planning

The County's long term financial planning has focused on the capital and infrastructure improvements needs of Facilities and Roads. Each year a five-year Road Maintenance and Capital Improvement Plan (CIP) is prepared for and approved by the County Board of Supervisors. The CIP is a plan for short range and long-range plans to improve or rehabilitate the 562 miles of County-owned roads. While the CIP covers a five-year planning period, it is updated each year to reflect ongoing changes as new projects are added, existing projects modified, and completed projects deleted from the plan document. The 2011 CIP represents a five-year \$60 million program from 2010 through 2015. The funding for the CIP projects is a mix of Federal, State and local sources and subject to availability.

The County's Capital Facilities Master Plan is reviewed and updated on a periodic basis. The current plan was presented and adopted by the Board in 2008. An updated plan is being prepared for presentation in early 2012. The plan document contains a facilities condition assessment of all buildings, the life expectancy of systems and finishes, and the priority of identified projects. The plan provides information on future facility needs and estimated costs. The County has designated a portion of the General Fund's available fund balance to build toward the funding for future projects. The County was able in the prior year to take advantage of the real estate conditions and purchase two parcels for future facility needs. Negotiations were under way late last fiscal year on a potential property to house the County's Public Works corporation yard. The purchase of the property was finalized in August 2011.

Major Initiatives

Over the past several years, the County management has taken a pragmatic approach in its efforts to seek and implement a new form of service delivery for those County services befitting that model. The primary service model is based upon contracting with a qualified independent service provider. The most prevalent service area that has transferred to this model has been in the mental health services. The County is currently delivering the majority of its Behavioral Health program services through contracted independent providers. This past year, additional areas of service have transitioned to this model. The two newest service areas under contract are the Animal Shelter services, managed and operated by a not-for-profit provider and the Solid Waste McCourtney Road Transfer Station, functioning under a for-profit

service contractor. In addition, the County had contracted with Consolidated Area Housing Authority of Sutter County to manage the Section 8 voucher program beginning in January of 2011 and as of July 1st permanently transferred the entire program with the formal approval of HUD. The County is currently considering a move to privatize the entire Western Solid Waste operations to a fully independently managed operation under a franchise agreement.

The success of this change in service delivery has provided the County with a means to control a portion of its largest expenditure category, the salaries and benefits of its workforce, while still maintaining the level and quality of services. Staffing levels have gone from a high of 1,055 in 2001-02 to 777 authorized positions for the 2011-12 adopted budget. During the economic downturn, overall County staff reductions have been a primary cost savings mechanism; which, in addition to the successfully negotiated reductions in retirement benefits for new employees within certain bargaining groups, has provided the needed expenditure reductions to support the effort to maintain the County's core services to its citizens.

Other Factors Affecting Financial Condition

California local governments are particularly vulnerable to State and Federal budgetary difficulties. The State of California acts as a pass-through entity for much of the County's program revenues. The State's slow economic recovery and its struggle to reduce its deficit continue to trouble local governments. The California Legislative Analyst's Office recently estimated that a \$20 billion short-fall exists for next year's State budget. The current trend is for the realignment of certain programs. While this promotes local control for the service delivery, there is a question as to whether an adequate flow of funds will be available in the future to support the shift of the programs. This is of great concern with the potential impact on the County budget to provide the funding required for such realigned services and other mandated programs.

The County seems to lag behind in economic recovery cycles. Unemployment remains high and the real estate market continues to struggle in terms of housing prices, housing sales, home foreclosures and new construction. The housing sector crisis remains at the forefront and continues to plague the real estate market recovery. The drop in property values has greatly affected the County's largest discretionary revenue source of the General Fund. The fiscal year 2011-12 Recommended Budget included an estimated no growth in property tax revenues from the prior year and this estimate has now been determined to be a 2.7% reduction. This will have an impact on the budget of the 2011-12 fiscal year and those beyond. Though slight, the sales tax revenues are beginning to show increases. This increase is a welcome sign to an otherwise dismal revenue picture.

Throughout the economic crisis of the past several years, the County has maintained its proactive approach and made strategic adjustments to ensure it remains fiscally solvent. The General Fund reserves, purposely set aside during the past years when double-digit growth was realized, continue to provide some cushion while waiting out the extended economic recovery.

Awards

The Government Finance Officers Association of the United States and Canada awarded the Certificate of Achievement for Excellence in Financial Reporting to the County of Nevada for its CAFR covering the fiscal year ended June 30, 2010. The Certificate of Achievement is a prestigious national award, recognizing conformance with the highest standards for preparation of state and local government financial reports. In order to be awarded a Certificate of Achievement, a government unit must publish an easily readable and efficiently organized CAFR whose contents conform to program standards. Such CAFRs must satisfy both generally accepted accounting principles and applicable legal requirements. A Certificate of Achievement is valid for a period of one year only. This is the fourth year we have received this esteemed award. We believe our current CAFR continues to meet the Certificate of Achievement program requirements, and we are submitting our application for the Certificate for this year.

Acknowledgments

The preparation of this Comprehensive Annual Financial Report was possible with the combined efforts of numerous individuals. I wish to express my sincere appreciation to my staff in the Auditor-Controller's Office for their concerted effort and commitment to the timely preparation and review of this report. I would like to thank all the departments and agencies who contributed financial information to this report along with our independent auditors, Smith & Newell and staff, for their assistance and guidance in producing this CAFR. In addition, I would like to thank the Board of Supervisors and the County Executive Office for their fiscal stewardship and prudent management of the financial operations of the County.

Respectfully Submitted,

A handwritten signature in cursive script that reads "Marcia L. Salter".

INDEPENDENT AUDITOR'S REPORT

To the Board of Supervisors and Grand Jury
County of Nevada
Nevada City, California

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the County of Nevada, California (County), as of and for the year ended June 30, 2011, which collectively comprise the County's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the County's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the County as of June 30, 2011, and the respective changes in financial position, and cash flows, where applicable, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated December 28, 2011, on our consideration of the County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

The Management Discussion and Analysis and the Required Supplementary Information as listed in the table of contents are not a required part of the basic financial statements but are supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

To the Board of Supervisors and Grand Jury
County of Nevada
Nevada City, California

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. The introductory section, combining and individual fund financial statements and schedules, and statistical section are presented for purposes of additional analysis and are not a required part of the basic financial statements. The combining and individual fund financial statements and schedules have been subjected to the auditing procedures applied in the audit of the basic financial statements, and in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole. The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we express no opinion on them.

A handwritten signature in cursive script that reads "Smith & Newell". The signature is written in black ink and is positioned above the printed name of the firm.

COUNTY OF NEVADA
Management's Discussion and Analysis
Required Supplementary Information

This section of the County of Nevada's (County's) comprehensive annual financial report provides an overview and analysis of the County's financial activities for the fiscal year ended June 30, 2011. Please read it in conjunction with the transmittal letter at the front of this report and the County's basic financial statements following this section.

FINANCIAL HIGHLIGHTS

- The assets of the governmental activities of the County exceeded its liabilities at the close of the 2010-2011 fiscal year by \$349,441,147 (net assets). Of this amount, \$26,325,293 (unrestricted net assets) may be used to fund programs for citizens and debt obligations to creditors, \$40,759,140 is restricted for specific purposes (restricted net assets), and \$282,356,714 is invested in capital assets, net of related debt.
- The County's total net assets increased by \$11,527,415. The governmental activities net assets at the close of the 2010-2011 fiscal were \$315,190,109 and the business-type activities net assets were \$34,251,038.
- As of June 30, 2011, the County's governmental funds reported combined ending fund balances of \$63,267,250 an increase of \$3,190,193 or 5.3% in comparison with the prior year's ending fund balance. Amounts available for spending include *restricted, committed, assigned and unassigned fund balance*, totaling \$63,073,039. Of this amount, \$40,370,892 is restricted by law or externally imposed requirements, and \$4,145,545 is committed for specific purposes.
- At the end of the fiscal year, the fund balance for the General Fund was \$21,532,100, or 40.2% of the total General Fund expenditures for the year.
- The County's total long-term debt decreased from \$75,594,765 to \$73,250,199. This \$2,344,566 or 3.1 % decrease was related to scheduled payments on the Certificates of Participation and loans payable.

OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the County's basic financial statements. The County's basic financial statements comprise three components: 1) **Government-wide** financial statements, 2) **Fund** financial statements, and 3) **Notes** to the basic financial statements. Required Supplementary Information is included in addition to the basic financial statements.

Government-wide Financial Statements are designed to provide readers with a broad overview of the County's finances, in a manner similar to a private-sector business.

The *statement of net assets* presents information on all of the County's assets and liabilities, with the difference between the two reported as *net assets*. Over time, increases or decreases in net assets may serve as a useful indicator of whether the financial position of the County is improving or deteriorating.

The *statement of activities* presents information showing how the County's net assets changed during the most recent fiscal year. All changes in net assets are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in a future fiscal period (e.g., uncollected taxes and earned but unused vacation leave).

COUNTY OF NEVADA
Management's Discussion and Analysis
Required Supplementary Information

Both of these government-wide financial statements distinguish functions of the County that are principally supported by taxes and intergovernmental revenues (*governmental activities*) from other functions that are intended to recover all or a portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the County include general government, public protection, public ways and facilities, health and sanitation, public assistance, education and recreation. The business-type activities of the County include Western Nevada County Solid Waste, Eastern Nevada County Solid Waste, the Sanitation District, Transit Services, and the Airport.

Component units are included in our basic financial statements and consist of legally separate entities for which the County is financially accountable and that have substantially the same board as the County or provide services entirely to the County. The County's component units are: Nevada County Sanitation District, Nevada County Housing Authority, Nevada County Finance Authority, Special Districts governed by the Board, and Special Assessment Debt with County Commitment.

The government-wide financial statements can be found on pages 20-21 of this report.

Fund Financial Statements are groupings of related accounts that are used to maintain control over resources that have been segregated for specific activities or objectives. The County, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the County can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental funds are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows* and *outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating the County's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the County's near-term financing decisions. Both the governmental funds balance sheet and the governmental funds statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The County maintains one hundred fifty-five individual governmental funds. Information is presented separately in the governmental funds balance sheet and in the governmental funds statement of revenues, expenditures, and changes in fund balances for the General Fund and other major governmental funds. Data from the other governmental funds are combined into a single, aggregated presentation. Individual and grouped fund data for the non-major governmental funds are provided in the form of *combining statements* elsewhere in this report.

The governmental fund financial statements can be found on pages 22-25 of this report.

COUNTY OF NEVADA
Management's Discussion and Analysis
Required Supplementary Information

Proprietary funds are maintained in two ways. Enterprise funds are used to report the same functions presented as *business-type activities* in the government-wide financial statements. *Internal service funds* are used to accumulate and allocate costs internally among the County's various functions. The County maintains thirty-six individual proprietary funds. The Western Nevada County Solid Waste, Eastern Nevada County Solid Waste, the Airport, Transit Services and Sanitation District are used for business-type activity. The County uses internal service funds to account for its Fleet Management, Vision Insurance, Unemployment Insurance, Liability Insurance, Dental Insurance and Central Services. As these services predominantly benefit governmental rather than business-type functions, they have been included within *governmental activities* in the government-wide financial statements.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. Western Nevada County Solid Waste, the Airport and the Sanitation District are considered to be major funds of the County and are presented individually. The County's non-major enterprise funds and the six internal service funds are combined into a single, aggregated presentation in the proprietary fund financial statements. Individual fund data for each of these nonmajor enterprise and internal service funds are provided in the form of *combining statements* elsewhere in this report.

The proprietary fund financial statements can be found on pages 26-30 of this report.

Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the County's own programs. The accounting used for fiduciary funds is much like that used for proprietary funds. The County maintains three hundred forty fiduciary funds.

The fiduciary fund financial statements can be found on pages 31-32 of this report.

Notes to the Financial Statements provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

The notes can be found on pages 33-70 of this report.

Required Supplementary Information consists of funding progress schedules for the County Defined Benefit Pension Plan and Other Post Employment Benefit Plan; the County's General Fund budgetary schedule to demonstrate compliance with the County's adopted budget; the budgetary comparison schedules for all Major Funds, and infrastructure assets reported using the modified approach to account for the County's road subsystem.

Required supplementary information can be found on pages 71-81 of this report.

Combining and individual fund statements and schedules referred to earlier provide information for nonmajor governmental funds, nonmajor enterprise funds, internal service funds, and fiduciary funds and are presented immediately following the required supplementary information.

Combining and individual fund statements and schedules can be found on pages 82-133 of this report.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

As noted earlier, net assets may serve as a useful indicator of the County's financial position over time. On June 30, 2011, the County's assets exceeded its liabilities by \$349,441,147.

COUNTY OF NEVADA

County's Net Assets
June 30, 2011 and 2010

	Governmental Activities		Business-Type Activities		Total	
	2011	2010	2011	2010	2011	2010
Current and other assets	81,975,385	78,668,174	23,774,926	22,277,952	105,750,311	100,946,126
Capital Assets	266,370,042	264,184,886	60,092,256	59,420,706	326,462,298	323,605,592
Total Assets	348,345,427	342,853,060	83,867,182	81,698,658	432,212,609	424,551,718
Long-term liabilities	25,590,591	25,430,393	47,659,608	49,894,417	73,250,199	75,324,810
Other liabilities	7,564,727	9,478,719	1,956,536	1,834,457	9,521,263	11,313,176
Total Liabilities	33,155,318	34,909,112	49,616,144	51,728,874	82,771,462	86,637,986
Net Assets:						
Invested in capital assets, net of related debt	250,376,233	248,400,614	31,980,481	29,861,732	282,356,714	278,262,346
Restricted	40,759,140	40,542,205	0	0	40,759,140	40,542,205
Unrestricted	24,054,736	19,001,129	2,270,557	108,052	26,325,293	19,109,181
Total Net Assets	315,190,109	307,943,948	34,251,038	29,969,784	349,441,147	337,913,732

Of the County's total net assets of \$349,441,147, approximately 7.5% or \$26,325,293 are unrestricted net assets that may be used to fund County programs for citizens and obligations to creditors. 80.8% or \$282,356,714 of the County's net assets reflect its investment in capital assets (e.g., land, buildings, equipment and infrastructure), less any related debt used to acquire those assets that is still outstanding. The remaining portion of the County's net assets, \$40,759,140 or 11.7%, represents resources that are externally restricted on how they may be used.

The Governmental activities unrestricted net assets increased by \$5,053,607 or 2.7% over the prior year. The increase was due to an increase in accounts receivable and a decrease in salaries and benefits subject to accrual.

The Business-Type Activities unrestricted balance reflects a \$2,162,505 increase over the prior year. The increase resulted from Western Solid Waste completing a portion of its post closure activity reducing the associated liability and the Sanitation District's increase in current assets.

There was an overall increase of \$11,527,415, or 3.4%, over the prior year's net assets. This amount is attributable to the increase in unrestricted net assets and the increase in capital assets of both the Governmental and Business-Type activities.

COUNTY OF NEVADA
Management's Discussion and Analysis
Required Supplementary Information

The following chart presents a comparison of expenses by function and the associated program revenues for governmental activities:

Revenues among Governmental activities totaled \$142,486,271 for the fiscal year ended 2010-11. The chart below presents the percentage of total revenues by source for Governmental activities:

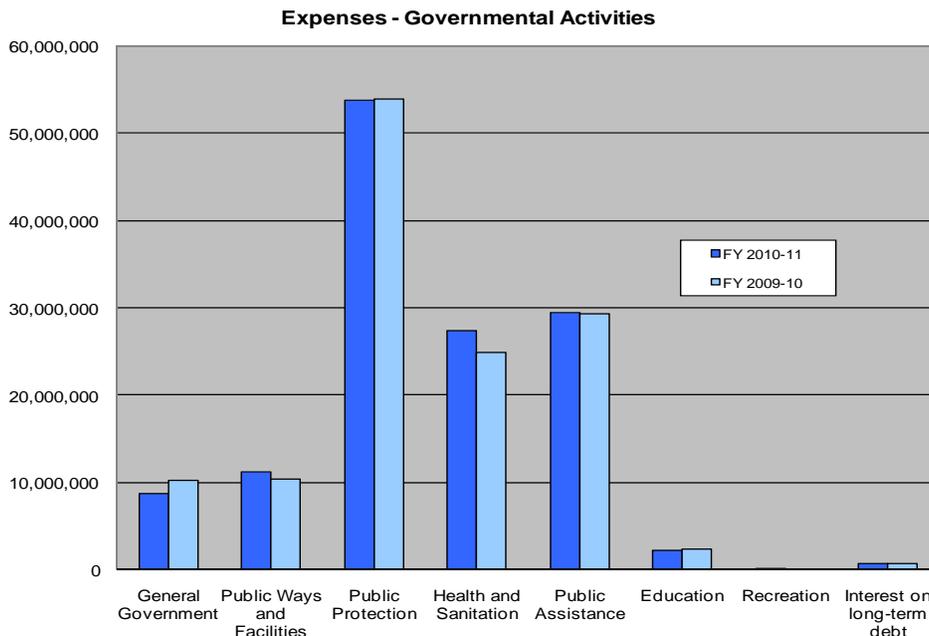

COUNTY OF NEVADA
Management's Discussion and Analysis
Required Supplementary Information

Key elements of the increase/decrease in *revenues* in the governmental activities:

- Charges for services had an overall increase of \$421,921, or 2.4% from the prior year. Increased revenues in this area are attributed to increased elections-services charges for the November 2010 General Election in the amount of \$255,110, increased recording fees of \$151,316, and increased revenues for mental health triage services provided for neighboring Placer County.
- There was an overall decrease in the property tax category of \$2,531,314, or -7.4%. Current secured taxes decreased \$1,746,152 or -8.1% due to continued declining home values and assessment reductions. Property tax in lieu of VLF fees decreased \$812,609, or -8.7%. This revenue reduction is associated with the decline in property values.
- Sales and Use taxes increased \$166,400, or 4.2%, indicating a slight increase in consumer spending over the prior year.
- Operating grants, which includes unrestricted grants, increased 4% from the prior year. American Recovery and Reinvestment (ARRA) dollars helped fund subsidized employment programs in Health and Human Services and road overlay projects in Public Works. State and Federal funds for Public Assistance increased \$2,381,922 due to increased Social Services assistance payments.
- Interest and Investment earnings increased \$287,459. Although interest earnings remained relatively flat, the County experienced a 63% increase, or \$118,001 in the fair market value of investments, and an increase in rental income as a result of leasing the County's animal shelter facility.
- The miscellaneous revenue category increased by \$1,256,808, or 24.5% largely due to insurance recoveries for the defense and settlement costs associated with a County lawsuit.

Expenses among Governmental activities totaled \$133,569,671 for the fiscal year ended 2010-11. The chart below presents the two-year comparison of the total expenses by function for Governmental activities.

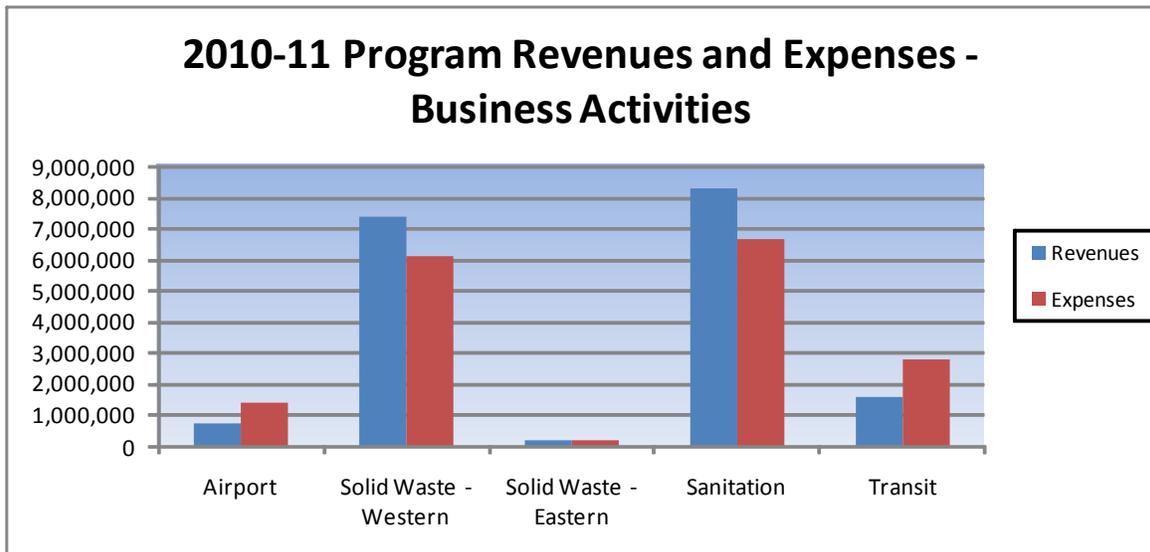

COUNTY OF NEVADA
Management's Discussion and Analysis
Required Supplementary Information

Key elements of the increase/decrease in *expenses* in the governmental activities:

- The General Government category decreased by 15% or \$1,534,923. The decrease in expenses resulted from reductions in staffing and related salary and benefit costs in the amount of \$590,300. Expenses for services and supplies were also significantly reduced by \$374,319 due to a drop off in election costs from the prior year June primary election, decreased utility costs, and decreased professional services.
- The Public Ways category increased expenses by 7%, or \$724,168. The increase reflects the cost of services provided by the County's internal service funds.
- The Public Protection category experienced a decrease of \$218,113 in expenses. The decrease was due to a one-time transfer out of \$480,900 in grant revenues in the prior year, a decrease in salary and benefit cost, and increased reimbursements from other program areas for services provided. These reductions offset the \$1,114,778 increase in expenses for the Darkhorse development sewer infrastructure project.
- The Health and Sanitation program area increased expenses by \$2,502,158, or 10%, due to expansion of adult and children's services in Behavioral Health made possible from Mental Health Service Act funding. This included training and implementation for a new Behavioral Health electronic health records system, and increased psychiatric service-provider contracts.
- The Education category decreased expenses by \$150,092 with reduced salary and benefit expenses for Library and Farm Advisor services. These reductions more than offset the increased services and supplies cost for Library services including the \$25,450 cost of the online catalog.
- The Recreation category increased expenses by \$57,720, or 80%. Funding was provided for two park projects in Grass Valley, along with a Chicago Park School improvement project to the gym, field, and outdoor courts. These projects totaled \$67,435.

The following chart displays expenses and the associated program revenues by function for the Business-type activities:

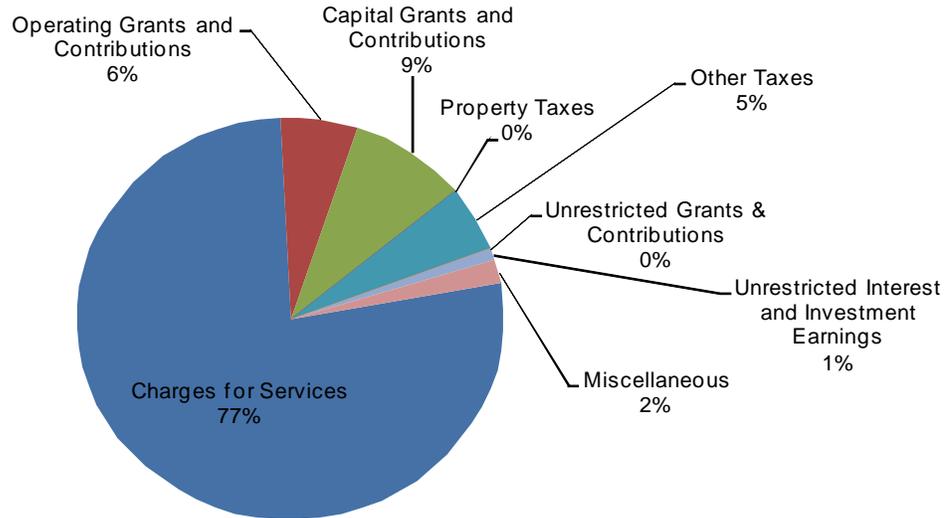

**COUNTY OF NEVADA
Management's Discussion and Analysis
Required Supplementary Information**

Revenues among Business-type activities totaled \$19,732,559 for the year ended 2010-11.

The chart below presents the percentage of total revenues by source for Business-Type activities:

Revenue by Source - Business-Type Activities

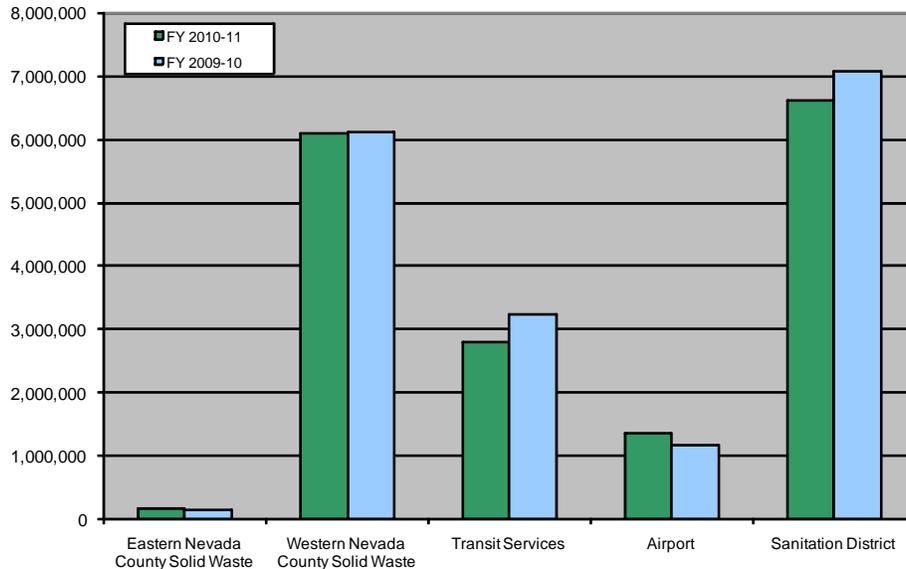

Key elements of the increase/decrease in revenues in the business-type activities:

- Charges for services increased \$573,693 or 3.9% due to increases in the level of services provided by Western Solid Waste and the Sanitation District.
- Capital Grants and Contributions increased 587% or \$1,517,301 primarily due to the Sanitation District's acceptance of the \$963,000 Darkhorse collection system contribution and the State Water Resources Control Board capital grant of \$389,762 for the Cascade Shore treatment plant upgrade.
- The Other Taxes category decreased \$643,586 or 38%. Reduced Transit service levels resulted in decreased operating costs, which limited recognition of Local Transportation Funding.
- Miscellaneous revenues decreased 25.5% or \$131,335. The Airport had received one-time revenues of \$122,342 in the prior year for the sale of assets.

Expenses among Business-type activities for the year ended 2010-11 totaled \$17,060,475 in comparison to the year ended 2009-10 which totaled \$17,741,608, resulting in an overall decrease of 3.8%.

COUNTY OF NEVADA
Management's Discussion and Analysis
Required Supplementary Information

Expenses - Business-Type Activities

Key elements of the increase/decrease in *expenses* in the business-type activities:

- Western Nevada County Solid Waste expenses decreased \$8,940 or 11% compared to the prior year. Salary and benefit reductions of \$958,642 were offset with increases in professional services of \$1,006,162 due to the contracting of the transfer station services.
- Airport operating expenses increased \$195,360 or 16.7% over the prior year. The increase is primarily associated with the professional services related to the rehabilitation, repair and marking of an airport runway and the associated taxiways.
- Transit expenses decreased \$428,042 or 13.3% under the prior year. There was a \$151,371 decrease in salaries and benefits and a \$222,770 decrease in paratransit services to offset reduced sales tax revenues.
- Sanitation District operating expenses decreased \$456,258 or 6.4% under the prior year. Decreases in salary and benefit expenses of \$244,323, service and supply expense of \$250,142 and a one-time payment of fines of \$334,073 in the prior year were offset with increases in depreciation and reimbursement expense.

FINANCIAL ANALYSIS OF THE COUNTY'S FUNDS

As noted earlier, the County uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental funds. The general government functions are contained in the General Fund, Special Revenue, Debt Service, and Capital Project Funds. Included in these funds are the special districts governed by the Board of Supervisors. The focus of the County's *governmental funds* is to provide information on near-term inflows, outflows, and balances of *spendable* resources. Such information is useful in assessing the County's financing requirements. In particular, *total fund balance less the nonspendable portion* may serve as a useful measure of the County's net resources available for spending at the end of the fiscal year.

Total Liabilities and Fund Balance	82,704,448	79,969,636	3.42%	2,734,812

As of June 30, 2011, the County's governmental funds reported combined ending fund balances in the amount of \$63,267,250, an increase of 5.3% or \$3,190,193 in comparison with the prior year's ending fund balance. The components of total fund balance are as follows (for more information see Note 12 – Fund Balances):

Nonspendable fund balance, \$194,211, are amounts that are not spendable in form, or are legally or contractually required to be maintained intact, and are made up of: 1) prepaid expenses of \$57,182, 2) Imprest cash accounts of \$25,390, 3) Inventory of \$110,653, and 4) Advances to other funds of \$986.

Restricted fund balance, \$40,370,892, consists of amounts with externally imposed constraints put on their use by creditors, grantors, contributions, laws, regulations or enabling legislation. Examples of restrictions on funds are those for: 1) Road improvement projects, whereby Highway Users Taxes of \$2,929,853, Federal Forest Reserve funds of \$1,171,908, State Exchange funds of \$258,899 and State Proposition 1B funds of \$1,612,571 are restricted in the Road Fund; 2) debt service reserve requirements of \$3,273,187; and 3) amounts restricted for legislatively realigned Health & Human Service programs of \$7,128,109.

Committed fund balance, \$4,145,545, are amounts established by the Board of Supervisors for a specified purpose before fiscal year-end, requires board action to appropriate, and survives budget. The General Fund general reserve of \$3,967,000 is included in this amount.

Assigned fund balance, \$19,148,989, formerly designations, is established by the Board of Supervisors for specified purpose and requires board action to appropriate, and may expire at any time. Included in this balance is \$6,170,000 for Information Systems Infrastructure; also \$1,150,000 for equipment replacement.

COUNTY OF NEVADA
Management's Discussion and Analysis
Required Supplementary Information

Unassigned fund balance of (\$592,387) represents the Health and Human Services Agency fund where expenditures exceeded revenues and available fund balance.

Approximately \$63,073,039 of the total fund balances is available to meet the County's current and future needs. The Board of Supervisors may designate a portion of the spendable fund balance in the current year within the constraints applied to the various categories of fund balance. Spendable fund balances are available for appropriation at any time, with the exception of the general reserve portion of the committed fund balance which can only be decreased at the time the budget is adopted except in cases of a legally declared emergency.

The General Fund is the chief operating fund of the County. At June 30, 2011, the total fund balance was \$21,532,100, an increase of \$1,997,248 from the prior fiscal year. The nonspendable portion of fund balance was \$82,288, and the spendable portion was \$21,449,812, an increase of \$1,972,142 from the prior year spendable balance of \$19,477,670.

As a measure of the General Fund's liquidity, it is useful to compare both total fund balance and spendable fund balance to total fund expenditures. The total fund balance equates to 40.2% of total General Fund expenditures while spendable fund balance equates to 40.0% of total General Fund expenditures. Of the General Fund spendable fund balance, \$11,308, or .1% is restricted, and \$3,967,000 or 18.5% is committed.

The following provides explanations of revenues by source that changed significantly over the prior year:

Revenues Classified By Source
General Fund

Revenue Type	FY 2011	Percent	FY 2010	Percent	Increase	Percentage of
	Amount	of Total	Amount	of Total	(Decrease) Amount	Change
Taxes and Assessments	35,066,651	64.34%	37,587,850	68.20%	-2,521,199	-6.71%
License and Permits	1,156,171	2.12%	1,153,069	2.09%	3,102	0.27%
Fines and Forfeitures	3,239,074	5.94%	3,259,227	5.91%	-20,153	-0.62%
Use of Money and Property	423,647	0.78%	330,076	0.60%	93,571	28.35%
Intergovernmental	5,035,274	9.24%	3,251,756	5.90%	1,783,518	54.85%
Charges for Service	8,257,632	15.15%	8,332,621	15.12%	-74,989	-0.90%
Other Revenues	1,320,629	2.42%	1,196,242	2.17%	124,387	10.40%
Total	54,499,078	100.00%	55,110,841	100.00%	-611,763	-1.11%

Taxes and Assessments – The decrease in this category is a combination of factors. The current secured tax category showed a significant decrease of \$1,745,103, down from \$23,176,665 in 2009-10 and \$21,431,562 in 2010-11. Additionally, property tax in lieu of VLF decreased 8.77% or \$812,609 due to negative growth in assessed values. Property transfer taxes also declined \$23,229, or -4.16% as a result of fewer real estate transactions.

Use of Money and Property – Interest and investment earnings within this category decreased slightly, \$5,133, or -7.8%, due to very low available market interest rate returns on investments, while rents and concessions increased by \$56,924.

COUNTY OF NEVADA
Management's Discussion and Analysis
Required Supplementary Information

Intergovernmental – There was a significant increase in this category of \$1,783,518, or 54.9% due to several factors: 1) the General Fund received \$373,291 of ARRA grant funds for an energy retrofit and upgrade to the HVAC unit for the County jail, 2) the Elections Department received \$332,713 of State election reimbursement for the June 2010 general election, 3) the General fund received \$175,218 of MVLFF excess dollars for the period of 06/07 through 09/10, and 4) the Probation Department received \$242,965 of additional Title IV-E dollars. Another contributing factor to the increase in this category was the recognition of Sheriff special revenue funds into the General Fund due to an accounting change.

Other Revenues – The 10.4% or \$124,387 increase in this category is attributable to \$38,343 of energy rebates and revenue of \$50,000 of recreation mitigation funds allocated for park improvement projects within the County.

The following provides an explanation of expenditures by function that changed significantly over the prior year:

Expenditures by Function
General Fund

Expenditures by Function	FY 2011 Amount	Percent of Total	FY 2010 Amount	Percent of Total	Increase	
					(Decrease) Amount	Percentage of Change
General government	7,403,961	13.82%	8,876,376	16.14%	-1,472,415	-16.59%
Public protection	43,779,423	81.71%	43,813,060	79.68%	-33,637	-0.08%
Public Assistance	247,510	0.46%	343,722	0.63%	-96,212	-27.99%
Education	87,480	0.16%	117,394	0.21%	-29,914	-25.48%
Capital outlay	2,041,466	3.81%	1,829,156	3.33%	212,310	11.61%
Debt Service	17,560	0.03%	9,982	0.02%	7,578	75.92%
Total	53,577,400	100.00%	54,989,690	100.00%	-1,412,290	-2.57%

General government – The \$1,472,415 or 16.59% overall decrease in expenditures in this category is across various activities. There was a decrease in general government salaries and benefits of \$590,300 or 4.2% primarily due to staff reductions during the year. Services and supplies expenditures decreased by \$374,419 or 6.3% in the categories of Software & Licenses and Professional Services. A one-time reduction in State Maintenance of Effort payment in the amount of \$174,660 due to a prior year Court audit adjustment. Reimbursement for internal services provided to other County departments increased \$376,630 or 4%.

Public Assistance – The key factor in this 28% or \$96,212 decrease for this category was primarily due to a decrease in salaries and benefits costs in the amount \$79,685 or 35.4% as a result of staff reductions. Additionally there was reduction in grants awarded to various service provider organizations in the amount \$10,539 or 10.7%.

Education – The 25.5% or \$29,914 decrease in education expenditures were attributed to two areas. Salaries and benefits decreased by \$15,673 or 29.1% due to reduction in staff hours. Secondly, there was a reduction in services provided in the amount of \$14,529 or 46.9%.

Capital outlay - Capital outlay increased by 11.6% or \$212,310 due to the energy efficiency upgrade to County facilities.

COUNTY OF NEVADA
Management's Discussion and Analysis
Required Supplementary Information

Other Major Funds Highlights

The Road Fund is used to account for the activities associated with the construction and maintenance of county roads and bridges. The Road Fund's fund balance increased by \$1,228,765 or 19.1%. The Highway Users Tax Account revenues were up \$1,492,411 due to a new distribution based on Section 2103 of the Streets & Highway Code. Funds remain available for future project expenditures.

The Community Development Agency (CDA) Fund is used to account for Planning, Building, Environmental Health and Code Enforcement department activities. Overall expenditures decreased by 3.2% or \$191,170. The area of Public Protection decreased \$447,674 mainly in the area of salaries and benefits within Building inspection and Planning. Health and sanitation expenditures increased \$256,504 due to the consolidation of Vector Control activities within the Environmental Health operating account.

The Human Services Agency Fund is used to account for the majority of the Public Health, Behavioral Health and Social Service programs. The net decrease in fund balance was \$118,495 bringing the total fund balance to a deficit of \$(592,047). The reduction of fund balance was attributed to increased expenditures in Behavioral Health for Mental Health Services Act (MHSA) programs for which offsetting revenue is to be recognized.

The Health and Welfare Realignment Fund is used to account for direct allocations from the State for sales tax revenues dedicated to certain Health, Mental Health and Social Service programs. The fund balance increased by \$566,401 or 8.6%. Total Realignment funding used by the Behavioral Health department was less in total compared to the prior year.

Proprietary funds. The County's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail.

Unrestricted net assets of the Western Nevada County Solid Waste at June 30, 2011 amounted to a deficit of \$3,739,023. The deficit reflects the total liability for the cost of monitoring the closed landfill per regulatory requirements. The cost of post closure activity is met through annual parcel charges. Though the unrestricted net assets remain in a deficit, the enterprise operation did reduce the deficit in Net Assets by \$1,664,088.

The unrestricted net assets of the Airport enterprise operation increased to \$164,098 for the fiscal year ending June 30, 2011, largely due to the reduction in loans payable.

The Sanitation District increased its unrestricted net assets by \$937,152 over the prior year, primarily with increased current assets in the form of cash and investment reserves held for debt service.

GENERAL FUND BUDGETARY HIGHLIGHTS

The difference between the original budget and the final amended budget resulted in \$2,183,908 net increase in appropriations (excluding other financing sources and uses). Explanations of significant changes for this increase are as follows:

- \$377,334 was the result of an increase in the General Government budget category. The most significant amendment was an increase in the Capital facilities project budget for the relocation of the Treasurer-Tax Collector and Assessor offices within the County administration building.
- \$321,103 was the result of an increase in the Public Protection budget category. A majority of the increase was a result of additional grant funds to the Sheriff's office providing support for the Narcotics Task force program to the local police departments.

COUNTY OF NEVADA
Management's Discussion and Analysis
Required Supplementary Information

- The Capital Outlay for Capital Facilities Projects increased by \$803,672 related to the energy efficiency upgrade of the County administration and jail facilities.

At fiscal year end, actual revenues were slightly lower than the budgetary estimate by \$1,062,235, or 1.9% and expenditures were also under the budgetary estimates by \$3,040,880 or 5.4%. The excess of revenues over expenditures increased the General Fund's fund balance \$1,978,645.

Additional information on the General Fund and other major funds budget can be found on pages 74-81.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital assets The County's investment in capital assets for its governmental and business-type activities as of June 30, 2011 amounted to \$326,462,298 (net of accumulated depreciation). This investment in capital assets includes land, infrastructure, buildings and improvements, equipment and software.

County's Capital Assets
(Net of Depreciation)

	Governmental Activities		Business-Type Activities		Total		Variance
	2011	2010	2011	2010	2011	2010	
Land and Easements	103,641,982	103,642,638	3,593,251	3,593,251	107,235,233	107,235,889	0.00%
Infrastructure (Road Sys)	104,574,649	102,256,680	0	0	104,574,649	102,256,680	2.27%
Infrastructure	19,166,023	19,391,189	52,604,864	47,824,741	71,770,887	67,215,930	6.78%
Structures and Improvements	31,439,952	31,656,466	1,683,961	1,773,803	33,123,913	33,430,269	-0.92%
Construction in Progress	1,907,342	2,674,095	1,257,564	4,881,324	3,164,906	7,555,419	-58.11%
Equipment	5,408,656	4,236,172	952,616	1,347,587	6,361,272	5,583,759	13.92%
Intangible Assets	231,438	327,646	0	0	231,438	327,646	-29.36%
Total	266,370,042	264,184,886	60,092,256	59,420,706	326,462,298	323,605,592	0.88%

Land and Easements – The land and easements of Governmental entities decreased slightly due to the net change of the sale and purchase of land.

Infrastructure – The increase in infrastructure for Business-Type activities is directly related to the completion of the Cascade Shores Treatment facility and the acceptance of the Darkhorse sewer collection system into the Sanitation District.

Construction in Progress – Governmental construction in progress experienced an overall decrease of 58.11% largely due to a 23% decrease in road, bridge and sidewalk improvement projects in the construction stage. Projects that were in progress in the prior year and are now completed have been reclassified to appropriate asset categories. The decrease in Business-Type construction in progress is related to the completion of the Cascade Shores Treatment facility.

Intangible Assets – The decrease in intangible assets is attributed to depreciation and no new software was purchased during the year.

Additional information on the County's capital assets can be found in Note 4 on pages 49-51 of this report.

Long-term debt. At June 30, 2011, the County had total debt outstanding of \$73,250,199.

COUNTY OF NEVADA

Compensated Absences	5,199,223	5,378,852	242,877	292,407	5,442,100	5,671,259	-4.0%
OPEB Obligation	3,056,374	2,836,902	208,831	199,362	3,265,205	3,036,264	7.5%
Total	25,590,591	25,395,393	47,659,608	50,199,372	73,250,199	75,594,765	-3.1%

The County's total outstanding debt decreased by \$2,344,566 or 3.1%, during the fiscal year. The key factors for the decrease were payments of the annual scheduled principal payments on the Certificates of Participation in the amount of \$1,525,000 and payments on loan obligations in the amount of \$1,625,690. Capital lease liabilities decreased due to scheduled principal payments on both Sheriff vehicles and postage equipment. The increase in the County's Net OPEB Obligation (NOO) of \$228,941 was the result of the actuarially determined County contribution rate of 6.3% being under-collected due to staffing reductions and associated wages that occurred in 10/11.

Additional information on the County's long-term debt can be found in Note 7 on pages 54-59 of this report.

Infrastructure Assets Reported Under the Modified Approach

The County is using the modified approach to account for the maintained road system. This method is in lieu of the depreciation method used for all other assets. The County has set their average Pavement Condition Index (PCI) rating at 62. The rating must be achieved for each three year assessment period. The June 30, 2011 average PCI rate was 66 which meets the requirement.

Road System Infrastructure Assets Using Modified Approach
Summary Activity for Fiscal Year ending June 30, 2011

	Capital Improvements	Preservation Maintenance	General Maintenance	Total Cost
Expenditures Planned	1,750,000	2,395,000	3,875,000	8,020,000
Actual	1,695,652	2,410,866	3,929,722	8,036,240
Difference	-54,348	15,866	54,722	16,240

The delay of capital improvement projects as a result of State processing delays contributed to the 3.1% difference in the planned to actual expenditures for capital improvements.

Planned preservation maintenance expenditures were increased due to more overlay projects; additionally, costs for snow removal increased as a result of heavy winter storms.

Additional information on the County's use of the Modified Approach can be found in Required Supplementary Information (RSI) on page 72 and 73 of this report.

COUNTY OF NEVADA
Management's Discussion and Analysis

Economic Factors and Next Year's Budget for FY 2011-12

The fiscal year 2011-12 adopted budget for all County funds totals \$172,850,342, a 5% decrease when compared to the prior year. The General Fund 2011-12 is \$61,525, 241, a decrease of \$49,195.

The extended economic slowdown continues to impact the County on many fronts. The following factors were considered as the budget for fiscal year 2011-12 was prepared.

- The fiscal year 2011-12 budget reflected no growth for property tax related revenues to the County. This includes secured, unsecured, and unitary as well as the property transfer tax and supplemental property tax revenues.
 - The annual adjustment of property base year values is tied to the consumer price index (inflationary) factor, and historically, the factor has been 2%. The Statewide inflationary factor for 2011 resulted in a .753% increase in assessed values. The Assessor has continued to review and reassess Nevada County property values. The total reassessments have resulted in a negative growth rate in the unincorporated areas of - 2.7% of secured assessed values for 2011-12 to reflect the current fair market value.
- The fiscal year 2011-12 budget contemplates a slight increase in the sales and use tax revenue stream. This has a direct effect on the 1/8% sales tax revenue source for the Library fund, the Health and Human Services Realignment program revenues, as well as other County programs with a direct share of various State allocations based on sales tax collections.
- The continued slow down in the construction sector has reduced the service requests in the Building Inspection and Planning departments which are primarily fee supported. The budget for Building Inspection has stayed flat while the Planning department budget has been reduced 14.8% from the prior year. Service demands will be closely monitored in the fee revenue areas in the upcoming year and corresponding budget adjustments will occur as necessary.

The 2011-12 budget documents are available on the County's website: www.mynevadacounty.com .

Request for Information

COUNTY OF NEVADA
Reconciliation of the Governmental Funds Balance Sheet to the
Government-Wide Statement of Net Assets - Governmental Activities
June 30, 2011

Total Fund Balance - Total Governmental Funds	\$ 63,267,250
Amounts reported for governmental activities in the statement of net assets are different because:	
Capital assets used in governmental activities are not financial resources and therefore are not reported in the governmental funds balance sheets.	265,538,121
Other long term assets are not available to pay for current period expenditures and therefore, are not reported in the funds or are reported as deferred in the governmental funds. Deferred revenue	7,308,511
Interest payable on long-term debt does not require the use of current financial resources and, therefore, is not accrued as a liability in the governmental funds balance sheets.	(179,123)
Certain liabilities are not due and payable in the current period and therefore, are not reported in the governmental funds. Certificates of participation	(11,020,000)
Bonds payable	(288,000)
Loans payable	(4,662,330)
Capital leases payable	(23,479)
Compensated absences	(5,121,253)
Net OPEB obligation	(3,016,167)
Arbitrage rebate payable	(103,922)
Internal service funds are used by management to charge the cost of certain activities, such as insurance and equipment maintenance and operations, to individual funds. The assets and liabilities of the internal service funds must be added to the statement of net assets.	3,490,501
Net Assets of Governmental Activities	\$ 315,190,109

The notes to the basic financial statements are an integral part of this statement.

COUNTY OF NEVADA
Reconciliation of the Statement of Revenues, Expenditures, and
Changes in Fund Balances of Governmental Funds to the
Government-Wide Statement of Activities - Governmental Activities
For the Year Ended June 30, 2011

Net Change in Fund Balances - Total Governmental Funds \$ 3,190,193

Amounts reported for governmental activities in the Statement of Activities are different because:

Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense.

Expenditures for capital outlay	4,605,229
Depreciation expense	(2,474,454)
Various adjustments affecting capital assets (including sales, trade-ins, and contributions)	205,043

Governmental funds only report the disposal of assets to the extent proceeds are received from the sale. In the statement of activities, a gain or loss is reported for each disposal. This is the net cost of the capital assets disposed. Proceeds from the sale of capital assets were \$17,348.

(29,043)

Debt proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net assets. Repayment of principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net assets.

Principal retirements	1,177,465
Proceeds from issuance of debt	(1,392,226)

Some revenues reported in the statement of activities will not be collected for several months after the County's year end and do not provide current financial resources and therefore are not reported as revenues in the governmental funds.

Change in deferred revenue	1,846,243
----------------------------	-----------

Some expenses reported in the statement of activities, do not require the use of current financial resources and therefore are not reported as expenditures in the governmental funds.

Change in net OPEB obligation	(216,799)
Change in compensated absences payable	188,484
Change in accrued interest on long-term debt	2,550

Internal service funds are used by management to charge the cost of certain activities, such as insurance and equipment maintenance and operations, to individual funds. The net revenue (expense) of certain internal services funds is reported with governmental activities.

143,476

Change in Net Assets of Governmental Activities \$ 7,246,161

The notes to the basic financial statements are an integral part of this statement.

COUNTY OF NEVADA
Notes to Basic Financial Statements
For the Year Ended June 30, 2011

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The basic financial statements of County of Nevada (County) have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental agencies. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The more significant of the County's accounting policies are described below.

A. Reporting Entity

The County operates under an Administrator-Board of Supervisors form of government and provides various services on a county wide basis including law and justice, education, detention, social, health, road construction, road maintenance, transportation, elections and records, communications, planning, zoning and tax collection.

As required by GAAP, these financial statements present the County and its component units, entities for which the government is considered to be financially accountable.

Reporting for component units on the County's financial statements can be blended or discretely presented. Blended component units are, although legally separate entities, in substance part of the County's operations and, therefore, data from these units are combined with data of the primary government. Discretely presented component units, on the other hand, would be reported in a separate column in the government-wide financial statements to emphasize it is legally separate from the government.

For financial reporting purposes, the County's basic financial statements include all financial activities that are controlled by or are dependent upon actions taken by the Board of Supervisors. The financial statements of the individual component units may be obtained by writing to the County of Nevada, Auditor-Controller's Office, 950 Maidu Avenue, Nevada City, CA 95959, www.mynevadacounty.com/auditor.

The blended component units' governing bodies are substantively the same as the governing body of the primary government. Component units that are blended into the reporting activity types of the County's report are presented below:

Special Revenue Funds:

Nevada County Housing Authority
Special Districts Governed by the Board of Supervisors

Debt Service Funds:

Special Assessment Debt with County Commitment
Nevada County Finance Authority

Enterprise Funds:

Sanitation District

COUNTY OF NEVADA
Notes to Basic Financial Statements
For the Year Ended June 30, 2011

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

B. Basis of Presentation

Government-Wide Financial Statements

The statement of net assets and statement of activities display information on all of the nonfiduciary activities of the County and its blended component units. These statements include the financial activities of the overall government, except fiduciary activities. Eliminations have been made to minimize the double counting of internal activities. These statements distinguish between the governmental and business-type activities of the County. Governmental activities, which are normally supported by taxes and inter-governmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees charged to external parties.

The statement of activities presents a comparison between direct expenses and program revenues for each different identifiable activity of the County's business-type activities and each function of the County's governmental activities. Direct expenses are those that are specifically associated with a program or function and; therefore, are clearly identifiable to a particular function. Certain indirect costs, which cannot be identified and broken down, are included in the program expense reported for individual functions and activities. Program revenues include (1) charges paid by the recipients of goods and services offered by the program, (2) operating grants and contributions, and (3) capital grants and contributions. Taxes and other items not properly included among program revenues are presented instead as general revenues.

Fund Financial Statements

The fund financial statements provide information about the County's funds, including fiduciary funds and blended component units. Funds are organized into three major categories: governmental, proprietary, and fiduciary. The emphasis is placed on major funds within the governmental and proprietary categories; each is displayed in a separate column. All remaining governmental and enterprise funds are separately aggregated and reported as nonmajor funds. A fund is considered major if it is the primary operating fund of the County or meets the following criteria:

- Total assets, liabilities, revenues or expenditures/expenses of that individual governmental or enterprise fund are at least 10 percent of the corresponding total for all funds of that category or type; and
- Total assets, liabilities, revenues or expenditures/expenses of the individual governmental fund or enterprise fund are at least 5 percent of the corresponding total for all governmental and enterprise funds combined.

The County reports the following major governmental funds:

- The General Fund is used to account for all revenues and expenditures necessary to carry out basic governmental activities of the County that are not accounted for through other funds. For the County, the General Fund includes such activities as public protection, public ways and facilities, health and sanitation, public assistance, education, and recreation services.
- The Road Fund is a special revenue fund used to account for the revenues and expenditures for streets and road expansion.

COUNTY OF NEVADA
Notes to Basic Financial Statements

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

B. Basis of Presentation (Continued)

Fund Financial Statements (Continued)

- The Community Development Agency Fund is a special revenue fund used to account for the operation of community development programs.
- The Human Services Agency Fund is a special revenue fund used to account for revenues and expenditures for human service programs.
- The Health and Welfare Realignment Fund is a special revenue fund used to account for revenues and expenditures for public and mental health and social services programs.

The County reports the following major proprietary funds:

- The Western Nevada County Solid Waste Fund is an enterprise fund used to account for activity related to providing customers with solid waste management and billing for services provided by the County.
- The Airport Fund is an enterprise fund used to account for activity related to the County Airport and billing for services provided by the County.
- The Sanitation District Fund is an enterprise fund used to account for activity related to providing customers with sanitation management and billing for services provided by the County.

The County reports the following additional fund types:

- Internal Service Funds account for the County's fleet maintenance and self insurance programs which provide services to other departments on a cost reimbursement basis.
- The Investment Trust Funds account for the assets of legally separate entities that deposit cash with the County Treasurer. The assets of these funds are held in trust for other agencies and are part of the County's external pool. The external investment pool is made up of five separate funds; Special Districts governed by Local Boards, School Districts, School Districts Debt Service, Courts and Jury/Witness and Local Transportation Authority. The County is obligated to disburse monies from these funds on demand.
- Agency Funds account for the receipt and disbursement of various taxes, deposits, deductions, and property collected by the County, acting in the capacity of an agent for distribution to other governmental units or other organizations. The agency funds maintained by the County include two separate components.

Accrued Trust Funds - Accounts for property tax receipts awaiting apportionment to other local government agencies and investment earnings awaiting apportionment to other local government agencies.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

B. Basis of Presentation (Continued)

Fund Financial Statements (Continued)

County Departmental Agency - Accounts for all assets under the control of County departments which are held in a fiduciary capacity.

C. Basis of Accounting and Measurement Focus

The government-wide and proprietary funds financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows take place. Nonexchange transactions, in which the County gives (or receives) value without directly receiving (or giving) equal value in exchange, include property and sales tax, grants, entitlements, and donations. Under the accrual basis, revenue from property taxes is recognized in the fiscal year for which the taxes are levied. Revenues from sales tax are recognized when the underlying transactions take place. Revenues from grants, entitlements, and donations are recognized in the fiscal year in which all eligibility requirements have been satisfied.

Private sector standards of accounting and financial reporting issued prior to December 1, 1989, generally are followed in both the government-wide financial statements for the business-type activities and the proprietary fund financial statements to the extent that those standards do not conflict with or contradict guidance of the Governmental Accounting Standards Board (GASB). Governments also have the option of following subsequent private-sector guidance for their business-type activities and enterprise funds, subject to the same limitation. The County has elected not to follow subsequent private-sector guidance.

Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when measurable and available. Property and sales taxes, interest, certain state and federal grants and charges for services are considered susceptible to accrual and are accrued when their receipt occurs within sixty days after the end of the fiscal year. Expenditures are generally recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures as well as expenditures related to claims and judgments are recorded only when payment is due. General capital assets acquisitions are reported as expenditures in the various functions of the governmental funds. Proceeds of governmental long-term debt and acquisitions under capital leases are reported as other financing sources.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the enterprise and internal service funds are charges to customers for sales and services. Operating expenses for enterprise and internal service funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

COUNTY OF NEVADA
Notes to Basic Financial Statements
For the Year Ended June 30, 2011

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C. Basis of Accounting and Measurement Focus (Continued)

Fiduciary funds include trust funds and agency funds. All trust funds are reported using the economic measurement focus and the accrual basis of accounting. Agency funds are reported using the accrual basis of accounting to recognize receivables and payables.

D. Non-Current Governmental Assets/Liabilities

Non-current governmental assets and liabilities, such as capital assets and long-term liabilities, are reported in the governmental activities column in the government-wide statement of net assets.

E. Cash, Cash Equivalents and Investments

The County sponsors an investment pool that is managed by the County Treasurer. The Treasurer invests on behalf of most funds of the County and external participants in accordance with the California State Government Code and the County's investment policy.

Investment transactions are recorded on the trade date. Investments are reported at fair value which is determined using selected bases annually. The fair value represents the amount the County could reasonably expect to receive for an investment in a current sale between a willing buyer and seller. Short term investments are reported at cost, which approximates fair value. Securities traded on a national or international exchange are valued at the last reported sales price at current exchange rates. Corporate notes are valued by the safekeeping institution and by the County brokerage firm. Cash deposits are reported at carrying amount which reasonably estimates fair value. Managed funds not listed on an established market are reported at the estimated fair value as determined by the respective fund managers based on quoted sales prices of the underlying securities.

Participant's equity in the investment pool is determined by the dollar amount of participant deposits, adjusted for withdrawals and distributed investment income. Investment income is determined on an amortized cost basis. Amortized premiums and accreted discounts, accrued interest, and realized gains and losses, net of expenses, are apportioned to pool participants every quarter. This method differs from the fair value method used to value investments in these financial statements, as unrealized gains or losses are not apportioned to pool participants. During the fiscal year ended June 30, 2011, the County Treasurer has not entered into any legally binding guarantees to support the value of participant equity in the investment pool.

Income from pooled investments is allocated to the individual funds or external participants based on the fund or participant's average daily cash balance at quarter end in relation to the total pool investments. Interest income earned in agency funds where there are no interest earnings requirements are assigned to the General Fund per County policy. Income from non-pooled investments is recorded based on the specific investments held by the fund. The interest income is recorded in the fund that earned the interest.

For purposes of the accompanying statement of cash flows, the County considers all highly liquid investments with a maturity of three months or less when purchased, including cash with fiscal agents and restricted cash, and their equity in the County Treasurer's investment pool, to be cash equivalents.

COUNTY OF NEVADA
Notes to Basic Financial Statements
For the Year Ended June 30, 2011

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

F. Restricted Cash and Investments

Restricted assets in the governmental funds represents cash and investments held in the Finance Authority for debt service (\$2,138,500). Restricted assets in the proprietary funds represent cash and investments held in the Western Nevada County Solid Waste fund for debt service (\$1,115,924).

In addition, the Agency funds reflect cash and investments held for various restricted purposes as restricted cash of \$285,969.

G. Receivables

Accounts Receivable

Accounts receivable for governmental activities consist mainly of taxes, grants, and interest. Accounts receivable in business-type activities consist mainly of user fees and interest earnings. Management believes its receivables are fully collectible and, accordingly, no allowance for doubtful accounts is required.

Proposition 1A Borrowing by the State of California

Under the provisions of Proposition 1A and as part of the 2009-10 budget package passed by the California state legislature on July 28, 2009, the State of California borrowed 8% of the amount of property tax revenue, including those property taxes associated with the in-lieu motor vehicle license fee, the triple flip in lieu sales tax, and supplemental property tax, apportioned to cities, counties and special districts (excluding redevelopment agencies). The state is required to repay this borrowing plus interest by June 30, 2013. After repayment of this initial borrowing, the California legislature may consider only one additional borrowing within a ten-year period. The amount of this borrowing pertaining to the Special Districts Governed by the Board of Supervisors was \$3,061.

This borrowing by the State of California was recognized as a receivable in the accompanying financial statements. Under the modified accrual basis of accounting, the borrowed tax revenues are not permitted to be recognized as revenue in the governmental fund financial statements until the tax revenues are received from the State of California (expected to be fiscal year 2012-13). In the government-wide financial statements, the tax revenues were recognized in the fiscal year for which they were levied (fiscal year 2009-10).

H. Other Assets

Inventory

Inventories are stated at average cost for governmental and proprietary funds. Inventory recorded by governmental funds includes materials and supplies for roads. Governmental fund inventories are recorded as expenditures at the time the inventory is consumed. Inventory recorded by proprietary funds includes supplies for internal service funds. Proprietary fund inventories are recorded as expenses at the time the inventory is consumed.

COUNTY OF NEVADA
Notes to Basic Financial Statements
For the Year Ended June 30, 2011

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

H. Other Assets (Continued)

Prepaid Costs

Payments made for services that will benefit periods beyond June 30, 2011, are recorded as prepaid costs. Prepaids in governmental funds are equally offset by nonspendable fund balance to indicate that portion of fund balance is not in spendable form.

I. Loans Receivable

For the purpose of the governmental fund financial statements, special revenue fund expenditures relating to long-term loans receivable arising from mortgage subsidy programs are charged to operations upon funding and the loans receivable are recorded. The balance of the long-term receivable includes loans that may be forgiven if certain terms and conditions of the loans are met.

J. Capital Assets

Capital assets, including public domain (infrastructure such as roads, bridges, sidewalks, sewer, and similar items), are defined by the County as assets with a cost of more than \$5,000 for equipment and \$50,000 for structures and infrastructure and an estimated useful life of more than one year. Capital assets are recorded at historical or estimated historical cost if actual historical cost is unavailable. Contributed capital assets are recorded at their estimated fair market value at the date of donation.

The County has elected to use the modified approach to report its maintained road system. Under the modified approach depreciation is not reported for this system and all expenditures, except for betterments and major improvements made to the system, are expensed.

The County manages its maintained road system using the Metropolitan Transportation Commission's Pavement Management program (Program) and accounts for them using the modified approach. The Program establishes a Pavement Condition Index (PCI) on a scale from zero to one hundred (0-100) for each road segment being maintained by the Department of Public Works. The Program has defined the pavement of roads with PCIs of 40 or better to be in a "Fair" or better condition and roads with a PCI of 55 or better to be in a "Good" or better condition. The system-wide average PCI number for all paved or chip sealed roads in the County maintained road system is calculated on a weighted by section, road area basis. The amount that an individual road section's condition contributes to the overall system average rating is proportionate to the amount of the total systems' surfaced area that the individual segment contains. It is the County's policy relative to maintaining the maintained road system to keep an average PCI rating of 62. This rating must be achieved over a three year period.

COUNTY OF NEVADA
Notes to Basic Financial Statements
For the Year Ended June 30, 2011

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

J. Capital Assets (Continued)

Capital assets used in operations are depreciated or amortized using the straight line method over the assets estimated useful life in the government-wide financial statements. The range of estimated useful lives by type of asset is as follows:

<u>Depreciable Asset</u>	<u>Estimated Lives</u>
Equipment	2-25 years
Structures and improvements	5-50 years
Infrastructure (except for the maintained road system)	20-75 years
Intangibles (Computer Software)	5 years

Maintenance and repairs are charged to operations when incurred. Betterments and major improvements which significantly increase values, change capacities or extend useful lives are capitalized. Upon sale or retirement of capital assets, the cost and related accumulated depreciation are removed from the respective accounts and any resulting gain or loss is included in the results of operations.

K. Property Tax

The State of California’s (State) Constitution Article XIII A provides that the combined maximum property tax rate on any given property may not exceed 1 percent of its assessed value unless an additional amount for general obligation debt has been approved by voters. Assessed value is calculated at 100 percent of market value, as defined by Article XIII A, and may be adjusted by no more than 2 percent per year unless the property is sold or transferred. The State Legislature has determined the method of distribution of receipts from a 1 percent tax levy among the County, cities, school districts, and other districts.

The County of Nevada is responsible for assessing, collecting, and distributing property taxes in accordance with State law. Property taxes are levied on both secured (real property) and unsecured (personal property other than land and buildings) property. Supplemental property taxes are assessed upon transfer of ownership in property or completion of new construction.

The County levies, bills, and collects taxes as follows:

	Secured	Unsecured
Valuation/lien dates	January 1	January 1
Due dates	November 1 (1 st installment) February 1 (2 nd installment)	July 1
Delinquent dates	December 10 (1 st installment) April 10 (2 nd installment)	August 31

The County of Nevada apportions secured property tax revenue in accordance with the alternate methods of distribution, the “Teeter Plan”, as described by Sections 4701 through 4717 of the California Revenue and Taxation code. Under the Teeter Plan, the County Auditor-Controller, an elected official is authorized to pay 100 percent of the property taxes billed (secured, supplemental, and debt service) to the taxing agencies within the County. The County recognizes property tax revenues in the period for which the taxes are levied. Previously, such taxes were allocated and paid as the taxes were collected.

COUNTY OF NEVADA
Notes to Basic Financial Statements
For the Year Ended June 30, 2011

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

K. Property Tax (Continued)

To fund the advances, the County borrowed from its pooled cash and investments. The advances are secured by delinquent taxes receivable and will be repaid as delinquencies plus penalties (10 percent) and interest (18 percent) are collected. As of June 30, 2011, the outstanding net borrowing totaled \$8,230,739 and was recorded as a reduction of cash in the General fund.

L. Interfund Transactions

Interfund transactions are reflected as either loans, services provided or used, reimbursements or transfers.

Loans reported as receivables and payables are referred to as either “due to/from other funds” (i.e. the current portion of interfund loans) or “advances to/from other funds” (i.e., the noncurrent portion of interfund loans) as appropriate and are subject to elimination upon consolidation. Any residual balances outstanding between the governmental activities and the business-type activities are reported in the government-wide financial statements as “internal balances”. Advances between funds, as reported in the fund financial statements, are offset by a nonspendable fund balance account in applicable governmental funds to indicate that they are not in spendable form.

Services provided or used, deemed to be at market or near market rates, are treated as revenues and expenditures or expenses. These services provide information on the net cost of each government function and therefore are not eliminated in the process of preparing the government-wide statement of activities.

Reimbursements occur when the funds responsible for particular expenditures or expenses repay the funds that initially paid for them. Such reimbursements are reflected as expenditures or expenses in the reimbursing fund and reductions to expenditures or expenses in the reimbursed fund.

All other interfund transactions are treated as transfers. Transfers between funds are netted as part of the reconciliation to the government-wide presentation.

M. Unearned Revenue/Deferred Revenue

Unearned revenue is recorded for assets recognized in connection with a transaction before the earnings process is complete. Those assets are offset by a corresponding liability for unearned revenue.

Deferred revenue is recorded under the modified accrual basis of accounting when revenue which has been earned during the current period has met the measurable criteria but has not met the available criteria.

COUNTY OF NEVADA
Notes to Basic Financial Statements
For the Year Ended June 30, 2011

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

N. Compensated Absences

It is the County's policy to permit employees to accumulate a limited amount of earned but unused vacation or personal paid leave. An unlimited amount of sick leave may be accrued in accordance with each bargaining unit's MOU and, upon separation from County's service, will either be paid to employees or converted to PERS service credit. In the government-wide financial statements the accrued compensated absences is recorded as an expense and related liability, with the current portion estimated based on historical trends. In the governmental fund financial statements the expenditures and liabilities related to those obligations are recognized only when they mature. In the proprietary funds the accrued compensated absences is recorded as an expense and related liability in the year earned. The County includes its share of social security and medicare taxes payable on behalf of the employees in the accrual for compensated absences.

O. Estimates

The preparation of basic financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

P. Implementation of Governmental Accounting Standards Board Statements

GASB Statement No. 54

For the fiscal year ended June 30, 2011, the County implemented Governmental Accounting Standards Board Statement No. 54 (GASB 54), "Fund Balance Reporting and Governmental Fund Type Definitions". The requirements of this statement are effective for financial statement periods beginning after June 15, 2010.

GASB 54 enhances the usefulness of fund balance information by providing clearer fund balance classifications and by clarifying the existing governmental fund type definitions. It establishes fund balance classifications based primarily on the extent to which a government is bound to observe constraints imposed upon the use of the resources reported in the governmental funds. The initial distinction in reporting fund balance information is identifying amounts that are considered nonspendable. This Statement provides for additional classification as restricted, committed, assigned and unassigned based on the relative strength of the constraints that control how specific amounts can be spent.

GASB 54 also provides guidance for classifying and disclosing information on stabilization amounts. The definitions of the General fund, special revenue fund type, capital projects fund type, debt service fund type, and permanent fund type are also clarified by the provisions in this statement.

COUNTY OF NEVADA
Notes to Basic Financial Statements
For the Year Ended June 30, 2011

NOTE 2: STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

A. Restatement of Net Assets

Adjustments resulting from errors or a change to comply with provisions of the accounting standards are treated as adjustments to prior periods. Accordingly, the County reports these changes as restatements of beginning net assets. During the current year adjustments to net assets were required to correct a prior year misstatement of capital assets and unearned revenue. The capital assets adjustment in business-type activities and the transit fund was due to prior year construction in progress that was not capitalized. The unearned revenue adjustment in business-type activities and the transit fund was due to unearned revenue incorrectly recognized in the prior year.

The impact of the restatements on the net assets on the business-type financial statements as previously reported is presented below:

	Business-Type Activities
Net Assets, June 30, 2010, as previously reported	\$ 29,969,784
Adjustment associated with:	
Correction of capital assets	67,589
Correction of unearned revenue	(128,858)
Total Adjustments	(61,269)
Net Assets, July 1, 2010, as restated	<u>\$ 29,908,515</u>

The impact of the restates on the net assets on the fund financial statements as previously reported is presented below:

	Other Enterprise Funds
Net Assets, June 30, 2010, as previously reported	\$ 1,080,330
Adjustment associated with:	
Correction of capital assets	67,589
Correction of unearned revenue	(128,858)
Total Adjustments	(61,269)
Net Assets, July 1, 2010, as restated	<u>\$ 1,019,061</u>

B. Deficit Fund Balance/Net Assets

The following major special revenue fund had a deficit fund balance:

The Human Services Agency fund had a fund balance deficit of \$592,047 due to expenditures in excess of revenues and transfers.

COUNTY OF NEVADA
Notes to Basic Financial Statements
For the Year Ended June 30, 2011

NOTE 2: STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY (CONTINUED)

B. Deficit Fund Balance/Net Assets (Continued)

The following major enterprise fund had deficit net assets:

The Western Nevada County Solid Waste fund had a net asset deficit of \$2,098,943, due to the post closure liability of \$12,248,378. The County has established a pledge of revenues consisting of parcel charges to demonstrate financial responsibility for postclosure maintenance in accordance with California Code of Regulations.

C. Rebatable Arbitrage

The Tax Reform Act of 1986 instituted certain arbitrage restrictions with respect to the issuance of tax-exempt bonds after August 31, 1986. Arbitrage regulations deal with the investment of all tax exempt bond proceeds at an interest yield greater than the interest yield paid to bondholders. Generally, all interest paid to bondholders can be retroactively rendered taxable if applicable rebates are not reported and paid to the Internal Revenue Service (IRS) at least every five years. During the current year, the County performed calculations of excess investment earnings on various bonds and financing and at June 30, 2011, a liability of \$103,922 has been recorded in the government-wide financial statements for governmental activities.

D. Gann Spending Limitation

Under Article XIII B of the California Constitution (the Gann Spending Limitation), the County is restricted as to the amount of annual appropriations from proceeds of taxes, and if proceeds of taxes exceed allowed appropriations, the excess must either be refunded to the State Controller or returned to the taxpayers through revised tax rates, revised fee schedules or other refund arrangements.

NOTE 3: CASH AND INVESTMENTS

The County Treasurer manages, in accordance with California Government Code Section 53600, funds deposited in the investment pool by the County, all County school districts, various districts, and some cities within the County. The County investment pool is not registered with the Securities and Exchange Commission as an investment company. California Government Code and the County's investment policy govern the investment pool activity. The objectives of the policy are in order of priority, safety, liquidity, yield and public trust. The pool attempts to match maturities with planned outlays and maximize the return on investment over various market cycles. Yield is considered only after safety and credit quality have been met, consistent with limiting risk and prudent investment principles.

The Board of Supervisors monitor and review the management of the public funds maintained in the investment pool in accordance with Article 6 Section 27131 of the California Government Code. The Board of Supervisors review and approve the investment policy annually. The County Treasurer prepares and submits a comprehensive investment report to the members of the Board of Supervisors and the investment pool participants every month. The report covers the type of investments in the pool, maturity dates, par value, actual cost and fair value. All cash and investments with the exception of deposits and investments with fiscal agents are considered part of the investment pool.

COUNTY OF NEVADA
Notes to Basic Financial Statements
For the Year Ended June 30, 2011

NOTE 3: CASH AND INVESTMENTS (CONTINUED)

The County sponsored investment pool includes both internal and external participants. The portion of the pool attributable to external pool participants, which are considered involuntary participants, are included in the primary government as an Investment Trust Fund which does not have separate financial reports. The State of California statutes require certain special districts and other governmental entities to maintain their cash surplus with the County Treasurer. The net asset value of involuntary participation in the investment pool totaled \$71,712,007 at June 30, 2011.

A. Financial Statement Presentation

As of June 30, 2011, the County's cash and investments are reported in the financial statements as follows:

Primary government	\$ 72,277,452
Investment trust fund	71,712,007
Agency funds	<u>2,741,454</u>
Total Cash and Investments	<u>\$ 146,730,913</u>

As of June 30, 2011, the County's cash and investments consisted of the following:

Cash:	
Cash on hand	\$ 2,863,276
Deposits in Treasurer's Pool (less outstanding warrants)	<u>17,686,913</u>
Total Cash in County Pool	20,550,189
Deposits with fiscal agents	<u>478,108</u>
Total Cash	<u>21,028,297</u>
Investments:	
In Treasurer's Pool	<u>122,640,331</u>
Total Investments in County Pool	<u>122,640,331</u>
Investments with fiscal agents	<u>3,062,285</u>
Total Investments	<u>125,702,616</u>
Total Cash and Investments	<u>\$ 146,730,913</u>

B. Cash

At year end, the carrying amount of the County's cash deposits (including amount in checking accounts, money market accounts and deposits with fiscal agents) was \$18,165,021 and the bank balance was \$28,672,961. The difference between the bank balance and the carrying amount represents outstanding warrants and deposits in transit. In addition, the County had cash on hand of \$2,863,276.

COUNTY OF NEVADA
Notes to Basic Financial Statements
For the Year Ended June 30, 2011

NOTE 3: CASH AND INVESTMENTS (CONTINUED)

B. Cash (Continued)

Custodial Credit Risk For Deposits - Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, the County will not be able to recover its deposits or collateral securities that are in the possession of an outside party. The County's investment policy requires that deposits in banks must meet the requirements of the California Government Code. Under this code, deposits of more than \$250,000 must be collateralized at 105 percent to 150 percent of the value of the deposit to guarantee the safety of the public funds. The first \$250,000 of the County's deposits are insured by the Federal Deposit Insurance Corporation (FDIC). Deposits more than the \$250,000 insured amount are collateralized. The County's investment policy does not further limit its deposits.

C. Investments

Under the provisions of the County's investment policy and the California Government Code, the County may invest or deposit in the following:

- Banker's Acceptances
- Commercial Paper
- Local Agency Investment Fund
- Medium Term Corporate Notes
- Money Market Funds
- Negotiable Certificates of Deposit
- Repurchase Agreements
- Securities of the Federal Government or its Agencies.

Interest Rate Risk - Interest rate risk is the risk of loss due to the fair value of an investment falling due to interest rates rising. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. One of the ways that the County manages its exposure to interest rate risk is by purchasing a combination of shorter term and longer term investments and by timing cash flows from maturities so that a portion of the portfolio is maturing or coming close to maturity evenly over time as necessary to provide the cash flow and liquidity needed for operations. The County limits its exposure to interest rate risk inherent in its portfolio by limiting individual maturities to 5 years or less.

COUNTY OF NEVADA
Notes to Basic Financial Statements
For the Year Ended June 30, 2011

NOTE 3: CASH AND INVESTMENTS (CONTINUED)

C. Investments (Continued)

As of June 30, 2011, the County had the following investments, all of which had a maturity of 5 years or less:

Investment Type	Interest Rates	Maturities		Fair Value	Weighted Average Maturity (Years)
		0-1 year	1-5 years		
Pooled Investments					
Government Agencies	0.18-3.00%	\$ 10,009,450	70,156,550	80,166,000	2.39
Municipal Bonds	2.00%	6,261,155	-	6,261,155	0.92
Medium Term Notes	3.50%	-	5,151,000	5,151,000	1.12
Negotiable CD's	.34-.53%	9,996,500	-	9,996,500	0.54
LAIF	Variable	11,065,676	-	11,065,676	-
Certificates of Deposit	.18-.20%	10,000,000	-	10,000,000	0.17
Total Pooled Investments		<u>47,332,781</u>	<u>75,307,550</u>	<u>122,640,331</u>	<u>1.62</u>
Investments Held by Fiscal Agents					
Government Agencies	5.00%	923,785	-	923,785	1.88
IXIS	5.91%	2,138,500	-	2,138,500	-
Total Investments Held By Fiscal Agents		<u>3,062,285</u>	<u>-</u>	<u>3,062,285</u>	<u>0.57</u>
Total Investments		<u>\$ 50,395,066</u>	<u>\$75,307,550</u>	<u>\$125,702,616</u>	<u>0.73</u>

Credit Risk - Credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. Presented below is the minimum rating required by (where applicable) the California Government Code or the County's investment policy, and the actual rating as of year end for each investment type.

Investment Type	Minimum Legal Rating	Standard & Poor's Rating	Moody's Rating	% of Portfolio
Federal Farm Credit Bank	N/A	AA+	Aaa	15.94%
Federal Home Loan Bank	N/A	AA+	Aaa	23.93%
Federal Home Loan Bank	N/A	AAA	Aaa	0.72%
Federal Home Loan Mortgage	N/A	AA+	Aaa	19.93%
Federal National Mortgage Assoc.	N/A	AA+	Aaa	3.98%
Municipal Bonds	A	SP-1+	NA	4.98%
Medium Term Notes	A	AA+	Aa2	4.10%
Negotiable CDs	N/A	A-1	P-1	7.95%
Certificates of Deposit	N/A	Unrated	Unrated	7.96%
LAIF	N/A	Unrated	Unrated	8.80%
IXIS	N/A	Unrated	Unrated	1.70%
Total				<u>100%</u>

COUNTY OF NEVADA
Notes to Basic Financial Statements
For the Year Ended June 30, 2011

NOTE 3: CASH AND INVESTMENTS (CONTINUED)

C. Investments (Continued)

Custodial Credit Risk for Investments - Custodial credit risk for investments is the risk that, in the event of the failure of a depository institution, the County will not be able to recover its deposits or collateral securities that are in the possession of an outside party. To mitigate the custodial credit risk the County requires that all of its managed investments be held in the name of the County. At June 30, 2011, the County's investment pool had no securities exposed to custodial credit risk.

Concentration of Credit Risk - Concentration of credit risk is the risk of loss attributed to the magnitude of the County's investment in a single issuer of securities. When investments are concentrated in one issuer, this concentration presents a heightened risk of potential loss. State law and the investment policy of the County contain limitations on the amount that can be invested in any one issuer. Investments in any one issuer (other than U.S. Treasury securities, mutual funds, and external investment pools) at June 30, 2011, that represent 5 percent or more of total County investments are as follows:

<u>Investment Type</u>	<u>Amount Invested</u>	<u>Percentage of Investments</u>
Federal Farm Credit Bank	20,038,350	15.94%
Federal Home Loan Mortgage Corporation	25,046,450	19.93%
Federal Home Loan Bank	30,081,200	24.65%
Negotiable CD's	9,996,500	7.95%
Certificates of Deposit	10,000,000	7.96%

D. Investment in External Investment Pools

Investment in Local Agency Investment Fund - The County of Nevada is a voluntary participant in the Local Agency Investment Fund (LAIF) that is regulated by the California Government Code and is managed by the Treasurer of the State of California. The Local Investment Advisory Board (LAIF Board) has oversight responsibility for LAIF. The LAIF Board consists of five members as designated by State statute.

Investments in LAIF are available on demand and are stated at amortized cost, which approximates fair value. The fair value of the County's position in the pool is the same as the value of the pooled shares. At June 30, 2011 the County's investment position in LAIF was \$11,065,676. The total amount invested by all public agencies in LAIF on that day was \$66,489,270,508. Of that amount, 94.99% is invested in non-derivative financial products and 5.01% in structured notes and asset-backed securities.

E. County Investment Pool Condensed Financial Information

The following are condensed statements of net assets and changes in net assets for the Treasurer's pool at June 30, 2011:

Construction in Progress

Construction in progress for governmental activities related primarily to work performed on Magnolia Road, McCourtney Road, Dog Bar Road, Empire Street, Red Dog Road, Thermoplastic Safety, Lime Kiln Road, Hirschdale Bridges, Maybert Bridge, Purdon Bridge rehabilitation, and Newton and Empress Bike Path. Construction in progress for the business-type activities related primarily to work performed on Lake Wildwood treatment facility upgrade, airport runway, MRTS redesign, and transit transfer facility improvements.

NOTE 5: INTERFUND TRANSACTIONS

Due To/From Other Funds

During the course of operations, transactions occur between funds to account for goods received or services rendered. These receivables and payables are classified as due from or due to other funds. In addition, when funds overdraw their share of pooled cash, the receivables and payables are also classified as due from or due to other funds. The following are due from and due to balances as of June 30, 2011:

	<u>Due From Other Funds</u>	<u>Due To Other Funds</u>
General fund	\$ 3,279,733	\$ 420,722
Road	432,989	200,946
Community Development Agency	378,394	25,759
Human Services Agency	1,273,496	2,048,403
Health and Welfare Realignment	1,355,006	1,391,293

Internal service funds predominately serve the governmental funds. Accordingly, long-term liabilities for these funds are included as part of the above totals for governmental activities. Estimated claims are liquidated by charges for services collected through individual internal service funds. The capital lease liability is liquidated by lease payments made by the departments leasing the equipment. Compensated absences for the governmental activities are generally liquidated by the fund where the accrued liability occurred. The net other postemployment benefit obligation for the governmental activities is generally liquidated by the fund where the accrued liability occurred.

Special assessment bonds with County commitment are not a direct responsibility of the County. Principal and interest payments are funded from the collection of special assessments. For the governmental activities, the debt is accounted for in the Special Assessment Debt with County Commitment Component Unit debt service fund. For the business-type activities, the debt is accounted for in the Sanitation District component unit enterprise fund. The County is obligated for special assessment debt only to the extent of special assessments collected.

2016	1,780,781	187,632	85,368	2,053,781
2017-2021	8,949,616	710,016	338,111	9,997,743
2022-2026	9,278,699	333,077	177,856	9,789,632
2027-2031	<u>3,527,261</u>	<u>28,496</u>	<u>22,213</u>	<u>3,577,970</u>
Total	<u>\$ 30,535,224</u>	<u>\$ 2,162,685</u>	<u>\$ 1,020,024</u>	<u>\$ 33,717,933</u>

NOTE 8: ASSISTANCE PROGRAM LOAN

The County received a loan from the Nevada County Association of Realtors for the purpose of providing cash flow assistance for the County's first time homebuyers down payment assistance program. The loan is a short-term loan to be repaid from reimbursements received from the State of California Department of Housing and Community Development HOME Program. The balance outstanding as of June 30, 2011, was \$35,000.

Short-term debt activity for the year ended June 30, 2011, was as follows:

Beginning Balance	\$ 35,000
Additions	25,000
Reductions	(25,000)
Ending Balance	<u>\$ 35,000</u>

NOTE 9: LEASES

Operating Leases

The County leases office buildings and equipment under non-cancellable operating leases. Total costs for these leases was \$976,159 for the year ended June 30, 2011. The future minimum lease payments are as follows:

Year Ended June 30	Lease Obligations
2012	\$ 919,624
2013	489,948
2014	158,105
2015	81,674
2016	8,509
2017-2021	<u>32,342</u>
Total	<u>\$ 1,690,202</u>

COUNTY OF NEVADA
Notes to Basic Financial Statements
For the Year Ended June 30, 2011

NOTE 9: LEASES (CONTINUED)

Capital Leases

The County has entered into certain capital lease agreements under which the related equipment will become the property of the County when all terms of the lease agreements are met.

	<u>Stated Interest Rate</u>	<u>Present Value Of remaining Payments at June 30, 2011</u>
Governmental activities	5.90% - 11.91%	\$ 23,479
Total		<u>\$ 23,479</u>

Equipment and related accumulated depreciation under capital lease are as follows:

	<u>Governmental Activities</u>
Equipment	\$ 64,359
Less: Accumulated depreciation	(33,248)
Net Value	<u>\$ 31,111</u>

As of June 30, 2011, capital lease annual amortization is as follows:

<u>Year Ended June 30</u>	<u>Governmental Activities</u>
2012	\$ 9,816
2013	8,267
2014	<u>7,578</u>
Total Requirements	25,661
Less Interest	(2,182)
Present Value of Remaining Payments	<u>\$ 23,479</u>

NOTE 10: CLOSURE/POST CLOSURE

The County is responsible for two closed solid waste landfill sites. State and federal laws and regulations require the County to place a final cover on its landfill sites when they stop accepting waste and to perform certain maintenance and monitoring functions at the landfill sites for thirty years after closure. GASB Statement No. 18 requires a portion of these closure and postclosure care costs be reported as an operating expense in each period based on landfill capacity used as of each statement of net assets date. Since the landfills are no longer accepting waste, the entire estimated expense and liability have been reported.

COUNTY OF NEVADA
Notes to Basic Financial Statements
For the Year Ended June 30, 2011

NOTE 10: CLOSURE/POST CLOSURE (CONTINUED)

As of June 30, 2011, the County's estimated remaining liability for post closure maintenance costs for the closed landfills was \$12,364,705. This estimate is based on the amount that would be paid if all equipment, facilities, and services required to close and/or monitor the landfills were acquired as of June 30, 2011. Actual costs may be higher due to inflation, change in technology, or changes in regulations. The County has applied the annual inflation factor to the liability each year and has reduced the liability by actual expenses incurred.

The County is required by the California Code of Regulations to demonstrate financial responsibility for postclosure maintenance costs. The County has met this requirement for the McCourtney Road landfill through a pledge of annual parcel charges. A pledge of the remaining fund balance for the Hirschdale landfill is pending approval by the California Integrated Waste Management Board.

NOTE 11: NET ASSETS

The government-wide and proprietary fund financial statements utilize a net assets presentation. Net assets are categorized as invested in capital assets (net of related debt), restricted, and unrestricted.

- Invested in capital assets, net of related debt – Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction or improvement of those assets.
- Restricted net assets – Consists of net assets with constraints placed on the use either by (1) external groups such as creditors, grantors, contributors or laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation. These principally include restrictions for capital projects, debt service requirements and other special revenue fund purposes.
- Unrestricted net assets – All other net assets that do not meet the definition of “restricted” or “invested in capital assets, net of related debt.”

When both restricted and unrestricted net assets are available, it is considered that restricted resources are used first, followed by the unrestricted resources.

NOTE 12: FUND BALANCES

As prescribed by GASB Statement No. 54, governmental funds report fund balance in classifications based primarily on the extent to which the County is bound to honor constraints on the specific purposes for which amounts in the funds can be spent. As of June 30, 2011, fund balance for governmental funds is made up of the following:

- Nonspendable fund balance - includes amounts that are (a) not in spendable form, or (b) legally or contractually required to be maintained intact. The “not in spendable form” criterion includes items that are not expected to be converted to cash, for example: inventories and prepaid amounts.

COUNTY OF NEVADA
Notes to Basic Financial Statements
For the Year Ended June 30, 2011

NOTE 12: FUND BALANCES (CONTINUED)

- Restricted fund balance - includes amounts that can be spent for specific purposes stipulated by external resource providers, constitutionally or through enabling legislation. Restrictions may effectively be changed or lifted only with the consent of resource providers.
- Committed fund balance - includes amounts that can only be used for the specific purposes determined by a formal action of the County's highest level of decision-making authority, the Board of Supervisors. Commitments may be changed or lifted only by the County taking the same formal action that imposed the constraint originally (for example: resolution and ordinance).
- Assigned fund balance - comprises amounts intended to be used by the County for specific purposes that are neither restricted nor committed. Intent is expressed by (1) the Board of Supervisors or (b) a body (for example: a budget or finance committee) or official to which the Board of Supervisors has delegated the authority to assign amounts to be used for specific purposes.
- Unassigned fund balance - is the residual classification for the General Fund and includes all amounts not contained in the other classifications. Unassigned amounts are technically available for any purpose. In other governmental funds, if expenditures incurred for specific purposes exceeded the amounts restricted, committed, or assigned to those purposes, that fund would report a negative unassigned fund balance.

The Board of Supervisors establishes, modifies or rescinds fund balance commitments and assignments by passage of an ordinance or resolution. This is done through adoption of the budget and subsequent budget amendments that occur throughout the year.

The Board of Supervisors has adopted a fund balance policy for financial statement reporting. The policy establishes procedures for reporting fund balance classifications, establishes prudent reserve requirements and establishes a hierarchy of fund balance expenditures. The policy also provides for the County to establish and maintain a minimum unrestricted fund balance in the General Fund equal to two months of annual revenue within the Discretionary Revenue category as defined in the budget. The minimum unrestricted fund balance may be recognized within the committed, assigned, or unassigned classifications.

When both restricted and unrestricted resources are available for use, it is considered that restricted resources are used first, followed by the unrestricted committed, assigned and unassigned resources as they are needed.

The fund balances for all major and nonmajor governmental funds as of June 30, 2011, were distributed as follows:

	<u>General</u>	<u>Road</u>	<u>Community Develop- ment Agency</u>	<u>Human Services Agency</u>	<u>Health and Welfare Realignment</u>	<u>Other Govern- mental Funds</u>	<u>Total</u>
Nonspendable

NOTE 13: EMPLOYEES' RETIREMENT PLAN

A. Plan Description

The County contributes to the California Public Employees Retirement System (PERS), an agent multiple-employer public employee defined benefit plan. PERS provides retirement and disability benefits, annual cost of living adjustments, and death benefits to plan members and beneficiaries. PERS acts as a common investment and administrative agent for participating public entities within the State of California. Benefit provisions and all other requirements are established by statute. Copies of PERS' annual financial report may be obtained from their executive office – 400 Q Street, Lincoln Plaza East, Sacramento, CA 95811.

COUNTY OF NEVADA
Notes to Basic Financial Statements
For the Year Ended June 30, 2011

NOTE 13: EMPLOYEES' RETIREMENT PLAN (CONTINUED)

B. Funding Policy

Miscellaneous plan members are required to contribute 8 percent of their annual covered salary. Safety plan members are required to contribute 9 percent of their annual covered salary. The County is required to contribute the actuarially determined remaining amounts necessary to fund the benefits for its members. The County has committed to contribute a portion of the required employee contribution in addition to their own required contributions. The actuarial methods and assumptions used are those adopted by the PERS Board of Administration. The required employer contribution rate for fiscal year 2010/2011 was 19.688 percent for miscellaneous employees and 32.769 percent for safety employees. The contribution requirements of the plan are established by State statute and the employer contribution rate is established and may be amended by PERS. The County is required to contribute the remaining amounts necessary to fund the benefits of its members using the actuarial basis adopted by the PERS Board of Administrators.

C. Annual Pension Cost

For fiscal year 2010/2011, the County's annual pension cost of \$8,612,056 for the miscellaneous plan and \$1,977,312 for the safety plan was equal to the County's required and actual contributions. The required contribution was determined as part of the June 30, 2008, actuarial valuation using the entry age normal actuarial cost method. The actuarial assumptions included (a) 7.75 percent investment rate of return (net of administrative expenses), (b) projected annual salary increases of 3.25 percent to 14.45 percent for miscellaneous plan and 3.25 percent to 14.45 percent for safety plan, depending on age, service, and type of employment, and (c) 3.25 percent per year cost of living adjustment. Both (a) and (b) included an inflation component of 3.00 percent. The actuarial value of PERS assets was determined using techniques that smooth the effect of short term volatility in the market value of investments over a three-year period (smoothed market value). PERS unfunded actuarial accrued liability is being amortized as a level percentage of projected payroll on a closed basis. Initial unfunded liabilities are amortized over a closed period that depends on the plan's date of entry into PERS. Subsequent plan amendments are amortized as a level percentage of pay over a closed 20 year period. The tables below present three year trend information.

Miscellaneous:

<u>Fiscal Year Ending</u>	<u>Annual Pension Cost (APC)</u>	<u>Percentage of APC Contributed</u>	<u>Net Pension Obligation</u>
June 30, 2009	\$ 8,420,982	100%	-
June 30, 2010	8,949,433	100%	-
June 30, 2011	8,612,056	100%	-

Safety:

<u>Fiscal Year Ending</u>	<u>Annual Pension Cost (APC)</u>	<u>Percentage of APC Contributed</u>	<u>Net Pension Obligation</u>
June 30, 2009	\$ 1,850,007	100%	-
June 30, 2010	1,949,073	100%	-
June 30, 2011	1,977,312	100%	-

COUNTY OF NEVADA
Notes to Basic Financial Statements
For the Year Ended June 30, 2011

NOTE 13: EMPLOYEES' RETIREMENT PLAN (CONTINUED)

D. Funded Status and Funding Progress

As of June 30, 2010, the most recent actuarial valuation date, the miscellaneous plan was 75.9 percent funded. The actuarial accrued liability for benefits was \$319,732,395, and the actuarial value of assets was \$242,799,994, resulting in an unfunded actuarial accrued liability (UAAL) of \$76,932,401. The covered payroll (annual payroll of active employees covered by the plan) was \$48,510,139, and the ratio of the UAAL to the covered payroll was 158.6 percent.

The safety plan had less than 100 active members in at least one valuation since June 30, 2003, therefore it is required to participate in a risk pool and does not present individual plan funded status. Information on the safety plan side fund funding is presented as RSI following the notes to the financial statements.

The schedule of funding progress, presented as RSI following the notes to the financial statements, presents multi-year trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability for benefits.

NOTE 14: OTHER POSTEMPLOYMENT BENEFITS (OPEB)

A. Plan Description

The County of Nevada provides, under a defined benefit plan, retiree healthcare benefits to qualifying employees retiring directly from the County. The benefit level is determined by date of hire and length of service. The County has contracted for medical coverage to be provided through an agent multiple-employer CalPERS Healthcare (PEMHCA) plan.

The County pays the least expensive available plan single premium up to Medicare eligible age for retirees with more than 20 years of County Service. Employees hired before July 1, 2000, with less than 20 years of County service at retirement, receive a fixed stipend amount. After reaching Medicare eligible age, the County also pays 80% of the least expensive Medicare supplemental plan single premium for all retirees hired before July 1, 2000 and for employees hired after July 1, 2000 with 20 years of County service. For safety employees with disability retirement, the County pays 100% of the least expensive medical single premium for life.

Employees Hired On or After July 1, 2008—Employees hired on or after July 1, 2008, and who retire from the County, the County will continue to provide access to medical insurance coverage for those employees who retire from employment with the County and who constitute “annuitants” as defined by the Public Employees Medical and Hospital Care Act (PEMHCA) only.

B. Funding Policy

The minimum employer contribution requirement is a per participant amount contributed by the County and which is established and amended by the plan administrators, the CalPERS Board of Trustees, for the PEMHCA plan. The fixed stipend amount is a negotiated benefit between the County and the various employee bargaining groups.

COUNTY OF NEVADA
Notes to Basic Financial Statements
For the Year Ended June 30, 2011

NOTE 14: OTHER POSTEMPLOYMENT BENEFITS (OPEB) (CONTINUED)

B. Funding Policy (Continued)

The County had initially adopted a 5-year phase-in funding plan for the Annual Required Contribution (ARC). The actuarially determined ARC amount represents the level of funding that, if paid on an ongoing basis, is projected to cover the normal cost each year and amortize any unfunded actuarial liabilities (or funding excess) over a closed period not to exceed thirty years. The 2007-08 contribution was equal to 5% of annual covered payroll and was equal to the pay-as-you-go cost plus 20% between the full pre-funding ARC and the pay-as-you-go. The second year was 40% of the difference and each proceeding year increasing equally to reach the 100% full funding after 5 years.

With the results of the most recent actuarial study as of June 30, 2008, the County has revised their funding plan and annual contributions beginning in 2009-10. The contribution rate for 2009-10 and for each proceeding year will be equal to 6.3% of annual covered payroll to fully fund the ARC each year.

The County has established an irrevocable trust with CalPERS - California Employers' Retiree Benefit Trust Fund (CERBT) to deposit the contributions above the current year pay-as-you-go portion. CERBT issues a publicly available financial report including GASB 43 disclosure information in the aggregate with the other CERBT participating employers. That report may be obtained by contacting CalPERS, P.O. Box 942703, Sacramento, CA 94229-2703.

C. Annual OPEB Cost and Net OPEB Obligation

The County's OPEB cost (expense) is calculated based on the annual required contribution of the employer (ARC). The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities (or funding excess). (The following table shows the County's annual OPEB cost for the year, the amount actually contributed to the plan, and the resulting net OPEB obligation.)

Annual required contribution	\$ 3,195,000
Interest on prior year net OPEB obligation	214,000
Amortization of prior year net OPEB obligation	(190,000)
Annual OPEB Cost	3,219,000
Contributions made:	
Pay as you go contribution	(1,665,059)
Funding of full ARC Contribution	(1,325,000)
Increase in net OPEB obligation	228,941
Net OPEB Obligation - Beginning of Year	<u>3,036,264</u>
Net OPEB Obligation - End of Year	<u>\$ 3,265,205</u>

COUNTY OF NEVADA
Notes to Basic Financial Statements
For the Year Ended June 30, 2011

NOTE 14: OTHER POSTEMPLOYMENT BENEFITS (OPEB) (CONTINUED)

C. Annual OPEB Cost and Net OPEB Obligation (Continued)

The County's annual OPEB cost, the percentage of annual OPEB cost contributed to the plan, and the net OPEB obligation for the current and prior two years are as follows:

<u>Fiscal Year Ended</u>	<u>Annual OPEB Cost</u>	<u>Percentage of Annual OPEB Cost Contributed</u>	<u>Net OPEB Obligation</u>
6/30/09	\$ 4,132,000	69.0%	\$ 3,216,177
6/30/10	3,104,000	105.7%	3,036,264
6/30/11	3,219,000	92.9%	3,265,205

The quantifications of costs set forth above should not be interpreted in any way as vesting such benefits; rather the disclosures are made solely to comply with the County's reporting obligations under GASB 45, as the County understands these obligations.

D. Funded Status and Funding Progress

The unfunded actuarial accrued liability is being amortized as a level percentage of payroll over a closed 30 year period beginning July 1, 2007. The funded status of the plan as of June 30, 2010 (the most recent actuarial valuation date), was as follows:

Actuarial accrued liability (AAL)	\$ 40,383,000
Actuarial value of plan assets	<u>4,037,000</u>
Unfunded actuarial accrued liability (UAAL)	<u>\$ 36,346,000</u>
Funded ratio (actuarial value of plan assets/AAL)	9.9%
Covered payroll (active plan members)	<u>\$ 48,447,000</u>
UAAL as a percentage of covered payroll	75.0%

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The schedule of funding progress, presented as required supplementary information (RSI) following the notes to the financial statements, presents multi-year trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liabilities for benefits.

COUNTY OF NEVADA
Notes to Basic Financial Statements
For the Year Ended June 30, 2011

NOTE 14: OTHER POSTEMPLOYMENT BENEFITS (OPEB) (CONTINUED)

E. Actuarial Methods and Assumptions

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and plan members) and include the types of benefits provided at the time of the valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations. In the June 30, 2010, actuarial valuation, the entry age normal actuarial cost method was used. The actuarial assumptions included a 7.05% discount rate, and annual healthcare cost trends for HMO and PPO that start with 9.7% and 10.5%, respectively, and declines to 5.0% over ten years for both plan types. The actuarial assumptions included an annual 3.0% inflation rate and a 3.25% per annum aggregate payroll increases.

NOTE 15: RISK MANAGEMENT

The County is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The County has Risk Management Funds (Internal Service Funds) to account for and finance self-insured risks of loss for public liability, unemployment, dental, and vision. The County is a member of the California State Association of Counties Excess Insurance Authority, a public entity risk pool currently operating as a common risk management and insurance program for Counties. Should actual loss among participants be greater than anticipated, the County will be assessed its pro rata share of the deficiency. Conversely, if the actual losses are less than anticipated, the County will be refunded its pro rata share of the excess.

The County is a member of the County Supervisors Association of California Excess Insurance Authority, a public entity risk pool currently operating as a common risk management and insurance program for Counties. The Authority is solvent. Under this program, the Risk Management Funds provide coverage for up to a maximum of \$100,000 for each general liability claim, and \$10,000 for each unemployment claim.

Should actual loss among participants be greater than anticipated, the County will be assessed its prorata share of the deficiency. Conversely, if the actual losses are less than anticipated, the County will be refunded its prorata share of the excess. Settled claims have not exceeded commercial coverage in any of the past three fiscal years.

Actual claims unpaid as of June 30, 2011, including any estimates for incurred but not reported (IBNR) amounts, constitute claims payable. The claims liability at June 30, 2011, was as follows:

Unemployment	\$ 507,185
Liability	<u>834,000</u>
Total	<u>\$ 1,341,185</u>

COUNTY OF NEVADA
Notes to Basic Financial Statements
For the Year Ended June 30, 2011

NOTE 15: RISK MANAGEMENT (CONTINUED)

All funds of the County participate in the program and make payments to the Risk Management Funds based on estimates of the amounts needed to pay prior and current year claims. At June 30, 2011, the Risk Management Fund's fund equity was \$601,071. The claims liability of \$1,341,185 reported in the funds at June 30, 2011, is based on the requirements of Governmental Accounting Standards Board Statement No. 10, which requires that a liability for claims be reported if information prior to the issuance of the financial statements indicates that it is probable that a liability has been incurred at the date of the financial statements and the amount of the loss can be reasonably determined.

Changes in the County's claims liability amount for the fiscal years 2009, 2010, and 2011 were as follows:

	Balance at Beginning of Fiscal Year	Current Year Claims and Changes in Estimates	Claims Payments	Balance at End of Fiscal Year
2009	\$ 841,191	\$ 1,892,972	\$ 1,715,708	\$ 1,018,455
2010	1,018,455	1,876,925	1,500,013	1,395,367
2011	1,395,367	1,682,201	1,736,383	1,341,185

The ultimate settlement of specific claims against the County cannot presently be determined and no provision for any other liability that may result has been made in the financial statements.

NOTE 16: OTHER INFORMATION

A. Construction Commitments

The County had active construction projects as of June 30, 2011, including County Facility improvements, road safety improvements, sidewalk preservation and improvements and upgrades to existing wastewater treatment plants to comply with new regulatory requirements. At year end the County's commitments with contractors were as follows:

<u>Project</u>	<u>Spent-to-Date</u>	<u>Remaining Commitment</u>
County facility improvements	\$ 98,233	\$ 142,073
Road infrastructure	361,889	359,474
Darkhorse infrastructure	426,357	272,298
Wastewater treatment facility upgrades	582,860	450,934
Leachate tank plans	4,748	5,253
Anasazi software	255,857	382,090
Total	<u>\$ 1,729,944</u>	<u>\$ 1,612,122</u>

The wastewater treatment projects are financed with long-term debt to be repaid from special assessments.

COUNTY OF NEVADA
Notes to Basic Financial Statements
For the Year Ended June 30, 2011

NOTE 16: OTHER INFORMATION (CONTINUED)

B. Contingent Liabilities

Amounts received or receivable from grant agencies are subject to audit and adjustment by grantor agencies. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the government expects such amounts, if any, to be immaterial.

The County is involved in several lawsuits. Due to the nature of the cases, County Counsel is unable to estimate at this time the probability of favorable or unfavorable outcomes. Therefore, no provision has been made in the financial statements for a loss contingency.

C. Subsequent Events

On July 5, 2011, the County completed the issuance of Refunding Certificates of Participation in the amount of \$8,610,000 at the rate of 3.54%. This was a refunding of the 2001 Refunding COPs.

On August 17, 2011, the Board of Supervisors approved the purchase of 39.26 acres of land in the amount of \$1,010,000 to be used for the relocation of the County's corporation yard. The transaction was completed and property transferred on August 30, 2011.

As of July 1, 2011, the County of Nevada transferred the Section 8 Housing Choice Vouchers Assistance program of the Nevada County Housing Authority to the Regional Housing Authority of Sutter and Nevada Counties.

Management has evaluated events subsequent to June 30, 2011 through December 28, 2011, the date on which the financial statements were available for issuance. Management has determined no other subsequent events requiring disclosure have occurred.

D. Joint Agencies

The CSAC Excess Insurance Authority is a joint powers authority organized for the purpose of developing and funding excess insurance programs for member counties. The Authority operates public entity risk pools for workers' compensation, comprehensive liability, property, and medical malpractice, and the pool purchases excess insurance and services for members. The Authority is under the control and direction of a board of directors consisting of representatives of the fifty member counties. There is no significant financial interest or ongoing financial responsibility on the part of the County with this Authority.

Complete audited financial statements for CSAC Excess Insurance Authority can be obtained from the Authority's office at 3017 Gold Canal Drive, Suite 300, Rancho Cordova, California 95670.

THIS PAGE INTENTIONALLY LEFT BLANK

COUNTY OF NEVADA
Required Supplementary Information
For the Year Ended June 30, 2011

1. SCHEDULE OF FUNDING PROGRESS - PENSION

The Schedule of Funding Progress - Pension presents a consolidated snapshot of the County's ability to meet current and future liabilities with the plan assets. Of particular interest to most is the funded status ratio. This ratio conveys a plan's level of assets to liabilities, an important indicator to determine the financial health of the pension plan. The closer the plan is to a 100% funded status, the better position it will be in to meet all of its future liabilities.

Miscellaneous Plan:

The table below shows a three-year analysis of the most recent actuarial value of assets as a percentage of the actuarial accrued liability and the unfunded actuarial accrued liability as a percentage of the annual covered payroll for the County Miscellaneous Plan.

Valuation Date	Entry Age Normal Accrued Liability	Actuarial Value of Assets	Unfunded Liability (Excess Assets)	Funded Ratios		Annual Covered Payroll	UAAL as a % of Payroll
				Actuarial Value	Market Value		
June 30, 2008	\$248,063,046	\$197,968,605	\$ 50,094,441	79.8%	92.3%	\$ 45,650,537	109.7%
June 30, 2009	301,107,683	228,631,554	72,476,129	75.9%	55.2%	50,418,956	143.7%
June 30, 2010	319,732,395	242,799,994	76,932,401	75.9%	59.6%	48,510,139	158.6%

Safety Plan:

The County specific funding information is no longer available for the Safety Plan. The County's Safety Plan participates in a risk sharing pool with other safety plans. Participation was required as of June 30, 2003 (when CalPERS set up risk sharing pools) since the plan had less than 100 active members at that time.

At the time that the County's Safety Plan was pooled with other agencies, the Plan's existing UAAL was placed in a "side fund" separate from the rest of the pool and for which the County is responsible for paying off the remaining unfunded liability. The side fund is amortized at a fixed interest rate of 7.75% and has been assigned a set payment schedule. As of June 30, 2010, the County's unfunded debt balance should be \$5,191,759.

Funding information is available on a pooled-basis only and can be obtained upon request to the County or directly from CalPERS, P.O. Box 942709, Sacramento, CA 94229-2709.

2. SCHEDULE OF FUNDING PROGRESS - OTHER POSTEMPLOYMENT BENEFITS (OPEB)

The Schedule of Funding Progress - Other Postemployment Benefits provides a consolidated snapshot of the County's ability to meet current and future liabilities with the plan assets. Of particular interest to most is the funded status ratio. This ratio conveys a plan's level of assets to liabilities, an important indicator to determine the financial health of the OPEB plan. The closer the plan is to a 100% funded status, the better position it will be in to meet all of its future liabilities.

The table below shows a three year analysis of the actuarial value of assets as a percentage of the actuarial accrued liability and the unfunded actuarial accrued liability as a percentage of the annual covered payroll for the County Other Post-Employment Benefit Plan.

COUNTY OF NEVADA
Required Supplementary Information
For the Year Ended June 30, 2011

2. SCHEDULE OF FUNDING PROGRESS - OTHER POSTEMPLOYMENT BENEFITS (OPEB)
(CONTINUED)

Actuarial Valuation Date	Actuarial Value of Assets	Actuarial Liability (AAL) Entry Age	Unfunded AAL (UAAL)	Funded Ratio	Covered Payroll	UAAL as a Percentage Of Covered Payroll
June 30, 2006	\$ -	\$ 35,208,000	\$ 35,208,000	-	\$ 41,158,000	85.5 %
June 30, 2008	608,000	29,999,000	29,391,000	2.0%	43,877,000	61.7%
June 20, 2010	4,037,000	40,383,000	36,346,000	10.0%	46,922,000	77.5%

3. INFRASTRUCTURE ASSETS REPORTED USING THE MODIFIED APPROACH

The County's infrastructure assets are recorded at historical cost in the government-wide financial statements as required by the Governmental Accounting Standards Board (GASB) Statement No. 34. The County has elected to use the modified approach to report its maintained road system. Infrastructure assets reported under the modified approach are not subject to depreciation per GASB Statement No. 34.

The County manages its maintained road system using the Metropolitan Transportation Commission's Pavement Management program (Program) and accounts for them using the modified approach. The Program establishes a Pavement Condition Index (PCI) on a scale from zero to one hundred (0-100) for each road segment being maintained by the Department of Public Works. The Program has defined the pavement of roads with PCIs of 40 or better to be in a "Fair" or better condition and roads with a PCI of 55 or better to be in a "Good" or better condition. The system-wide average PCI number for all paved or chip sealed roads in the County maintained road system is calculated on a weighted by section, road area basis. The amount that an individual road section's condition contributes to the overall system average rating is proportionate to the amount of the total systems surfaced area that the individual segment contains. It is the County's policy relative to maintaining the maintained road system to keep an average PCI rating of 62. This rating must be achieved over a three year period.

One third of the County maintained roads are assessed each year, with a complete condition assessment calculated every three years. As of June 30, 2011, the County's road system was rated at a PCI of 66. The last complete condition assessment was completed in fiscal year 2009 with an average PCI rating of 65. The overall condition of the County maintained roads declined slightly from the fiscal year 2006 average PCI rating of 66.7. The history of the condition assessments is provided below.

	<u>Year 1</u>	<u>Year 2</u>	<u>Year 3</u>	<u>3 Year Average</u>
2009	65	66	64	65.0
2006	68	67	65	66.7

COUNTY OF NEVADA
Required Supplementary Information
For the Year Ended June 30, 2011

**3. INFRASTRUCTURE ASSETS REPORTED USING THE MODIFIED APPROACH
(CONTINUED)**

For the year ended June 30, 2011, actual maintenance and preservation costs were \$6,340,588, which was \$70,588 or 1% more than estimated. The increase was due to increase in overlay projects maintenance and increase in snow removal costs. A five year history of planned to actual maintenance and preservation costs is provided in the following table.

<u>Fiscal Year</u>	<u>Maintenance & Preservation Cost</u>		
	<u>Estimated Costs</u>	<u>Actual Costs</u>	<u>Variance</u>
2007	\$ 3,112,954	\$ 5,652,819	(\$ 2,539,865)
2008	2,581,563	6,134,322	(3,552,759)
2009	9,525,400	8,177,280	1,348,120
2010	8,882,400	6,253,914	2,628,486
2011	6,270,000	6,340,588	(70,588)

COUNTY OF NEVADA
Note to Required Supplementary Information
For the Year Ended June 30, 2011

BUDGETARY BASIS OF ACCOUNTING

In accordance with the provisions of Sections 29000 and 29143, inclusive, of the California Government Code and other statutory provisions, commonly known as the County Budget Act, the County prepares a budget for each fiscal year on or before August 30. Budgeted expenditures are enacted into law through the passage of an Appropriation Ordinance. This ordinance mandates the maximum authorized expenditures for the fiscal year and cannot be exceeded except by subsequent amendments to the budget by the County's Board of Supervisors.

The following procedures are performed by the County in establishing the budgetary data reflected in the financial statements:

- (1) The County Executive Officer submits to the Board of Supervisors a recommended draft budget for the fiscal year commencing the following July 1. The budget includes recommended expenditures and the means of financing them.
- (2) The Board of Supervisors reviews the recommended budget at regularly scheduled meetings, which are open to the public. The Board also conducts a public hearing on the recommended budget to obtain comments from interested persons.
- (3) Prior to July 1, the budget is adopted through the passage of a resolution.
- (4) From the effective date of the budget, which is adopted and controlled at the service budget unit, the amounts stated therein, as recommended expenditures become appropriations to the various County service budget units. The Board of Supervisors may amend the budget by motion during the fiscal year. The County Administrative Officer may authorize transfers from one object or purpose to another within the same service budget unit.
- (5) Formal budgetary integration is employed as a management control device during the year. The County presents a comparison of annual budgets to actual results for the County's General, Special Revenue and Debt Service funds. The amounts reported on the budgetary basis are generally on a basis consistent with accounting principles generally accepted in the United States of America (GAAP).

The County uses an encumbrance system as an extension of normal budgetary accounting for the general and other governmental funds. Under this system, purchase orders, contracts, and other commitments for the expenditure of monies are recorded in order to reserve that portion of applicable appropriations. Encumbrances outstanding at year end are recorded as reservations of fund balance since they do not constitute expenditures or liabilities. Unencumbered appropriations lapse at year-end. Encumbered appropriations are carried forward in the ensuing year's budget.

COUNTY OF NEVADA
Nonmajor Special Revenue Funds

Special revenue funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specific purposes other than debt service or capital projects. Nonmajor special revenue funds used by the County are listed below:

- **FISH AND GAME**
The fund provides for expenditures, which are used for the protection and propagation of fish and game. Revenues are from the County's share of fines collected for violations of fish and game laws.
- **CHILD SUPPORT SERVICES**
The fund provides for services to establish paternity, obtains and enforces court orders for child support, collects and distributes payments, and provides community outreach about those services for the benefit of minor children.
- **RECYCLED OIL BLOCK GRANT**
The fund was established to record funds received from the State for the California Oil Recycling Enhancement Act to implement the collection of used oil at the County transfer station.
- **PROBATION FIRE INSURANCE ADMIN GRANT**
The fund provides for the administration of the insurance claims relating to the Probation Department Fire on March 20, 2002.
- **MOTOR VEHICLE LICENSE**
The fund is used to deposit all Motor Vehicle License Fees in accordance with Measure F passed by voters in March 1996.
- **PUBLIC LIBRARY**
The fund finances public library services for 3 branches and 2 stations located in the unincorporated and incorporated areas within the County.
- **INET MAINTENANCE**
The fund was established for cable franchise agreements that provide payment of grants to support the development of an institutional network (INET) to purchase equipment and to support public, educational and governmental television programming.
- **WORKERS' COMPENSATION**
The fund provides claims management and pays the premium costs for workers' compensation.
- **NONMAJOR HUMAN SERVICE AGENCY**
 - **PROPOSITION 36 SACPA**
The fund was established for the deposit of Proposition 36 funds to allow the Human Services Agency to proceed with the Substance Abuse and Crime Prevention Act Plan.
 - **CBFRP COMMUNITY BASED FAMILY PROGRAM**
The fund was established to develop and implement a county-wide system of community based family resource services.
 - **NEVADA COUNTY CO ALCO PC 1463.16**
The fund was established per Penal Code 1463.16 for the County's Alcohol Program Plan which is submitted to the State Department of Alcohol and Drug Programs.

COUNTY OF NEVADA
Nonmajor Special Revenue Funds

- **NONMAJOR HUMAN SERVICE AGENCY (CONTINUED)**

DRUG EDUCATION TRUST

The fund was established per Health and Safety Code 11372.7 to maintain a drug program fund, amounts to be deposited into the fund shall be allocated by the administrator of the County's Drug Program.

ALCOHOL EDUCATION PG PC 1463.25

The fund was established per Penal Code 1463.25 pursuant to Vehicle Code Section 23196 and utilized pursuant to Health and Safety Code Section 11802, amounts deposited into the fund shall be allocated by the administrator of the County's Drug Program.

EMERGENCY MEDICAL SERVICES

The fund was established to support emergency medical services pursuant to Chapter 2.5, Division 2.5 of the Health and Safety Code.

LOCAL BIOTERRORISM PREPAREDNESS

The fund accounts for funding from CA. Dept. of Health Services for public health emergency preparedness including pandemic influenza and other potential emergencies.

CHILDREN'S TRUST AB-2994

The fund was established pursuant to Assembly Bill 2994 for child abuse prevention and treatment services.

HEALTH - VRIP

The fund provides for the Vital Records Improvement Program.

HPP - H1N1 - CDC PHER

To track receipt and expenditure of Federal H1N1 supplemental funds for Public Health Emergency Response (PHER), Local Hospital Preparedness Program (HPP) for vaccination, antiviral distribution/dispensing and administration, epidemiology, laboratory, surveillance and other associated pandemic preparedness and response activities.

- **ADMINISTRATION**

FOREST RESERVES

The fund provides for disbursement of Title III funds at the County's discretion as long as the projects meet the requirements established in the law. Examples of authorized uses are: search, rescue and emergency services to reimburse a County or Sheriff's department for services performed on Federal lands; easement purchases to provide access to public lands; forest related educational opportunities and fire prevention planning.

DRYDEN WILSON

The fund provides for the distribution of a gift from the Dryden J. Wilson Trust. The gift is to be used for the furtherance and preservation of open space land and other recreational uses. The remaining \$50,000 has been allocated for the acquisition of parkland in the North San Juan Area of the County.

COUNTY OF NEVADA
Nonmajor Special Revenue Funds

- **ADMINISTRATION (CONTINUED)**

COUNTY OF NEVADA
Nonmajor Debt Service Funds

Debt Service Funds are used to account for and report financial resources that are restricted, committed or assigned to expenditure for principal and interest. Nonmajor debt service funds used by the County are listed below:

- **GOVERNMENT DEBT SERVICE**
Fund accounts for other financing requirements of the County, including for Laura Wilcox Memorial building. Amounts are transferred into, and payments made out of, this fund.
- **SPECIAL ASSESSMENT DEBT WITH COUNTY COMMITMENT**
These funds were established to administer bonds issued by the County of Nevada on behalf of the County Service Area 22 Assessment District under the Improvement Bond Act of 1915.
- **FINANCE AUTHORITY**
Fund accounts for finance and refinance of any real or personal property for the benefit of Nevada County. The Finance Authority is the lessor for the County's Certificates of Participation, and makes debt service payments on behalf of the County.

- **Enterprise Funds**

THIS PAGE INTENTIONALLY LEFT BLANK

COUNTY OF NEVADA
Nonmajor Enterprise Funds

Enterprise funds are used to account for operations that are financed and operated in a manner similar to private business enterprises where the intent of the governing body is that the costs of providing goods or services to the general public on a continuing basis be financed primarily through user charges; or where the County has decided that periodic determination of revenues earned, expenses incurred and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes. Nonmajor enterprise funds of the County are listed below:

- **EASTERN NEVADA COUNTY SOLID WASTE**

Fund accounts for the solid waste support services in Eastern Nevada County. Includes administration of refuse collection franchise in Eastern Nevada County. Fees collected from property owners in unincorporated Eastern Nevada County and used for residential refuse collection, recycling, and disposal activities. Also used to administer the Hirschdale Landfill closure and provide post-closure monitoring services.

- **TRANSIT SERVICES**

Fund accounts for administration and delivery of public transit and paratransit services, primarily in Western Nevada County. Includes the Gold Country Stage, a fixed-route system serving Western Nevada County, and administers a contract for provision of specialized paratransit services for disabled persons. Also used to account for participation in the Truckee-North Tahoe Transportation management Association, a public-private partnership working to improve transportation in the Truckee-Tahoe area.

Internal Service Funds

THIS PAGE INTENTIONALLY LEFT BLANK

COUNTY OF NEVADA
Internal Service Funds

Internal service funds are used to account for the financing of good or services provided by one department or agency to other departments on a cost-reimbursement basis. Internal Service Funds used at the County are listed below:

- **FLEET MANAGEMENT**
The fund accounts for the management of a program to ensure that both current and future vehicle needs are met for all County departments.
- **VISION INSURANCE**
The fund accounts for the vision insurance component of the self-insurance services provided to County employees.
- **UNEMPLOYMENT INSURANCE**
The fund accounts for the management of unemployment insurance for the County's self-funded plan.
- **LIABILITY INSURANCE**
The fund accounts for the services related to the protection of the County from general liability exposures. It provides claims management services, and pays the premium costs for general liability insurance.
- **CENTRAL SERVICES**
The fund accounts for printing, copier, mail, pool car scheduling, answering the County information line, and scanning services provided to County departments and outside agencies.
- **DENTAL INSURANCE**
The fund accounts for the dental insurance component of the self-insurance services provided to County employees.

Fiduciary Funds

THIS PAGE INTENTIONALLY LEFT BLANK

COUNTY OF NEVADA
Fiduciary Funds

Fiduciary funds are used to report assets held in a trustee or agency capacity for others and therefore cannot be used to support the government's own programs. Fiduciary funds include investment trust funds and agency funds.

- **INVESTMENT TRUST FUNDS**

The assets of these funds are held in trust for other agencies and are part of the County's external pool. The external investment pool is made up of five separate funds; Special Districts governed by Local Boards, School Districts, School Districts Debt Service, Courts and Jury/Witness and Local Transportation Authority. The County is obligated to disburse monies from these funds on demand.

- **AGENCY FUNDS**

To account for the receipt and disbursement of various taxes, deposits, deductions, and property collected by the County, acting in the capacity of an agent for distribution to other governmental units or other organizations. The agency funds maintained by the County include two separate components.

Accrued Trust Funds - Accounts for property tax receipts awaiting apportionment to other local governmental agencies and investment earnings awaiting apportionment to other local government agencies.

County Departmental Agency Funds - Accounts for all assets under the control of County departments which are held in a fiduciary capacity.

STATISTICAL SECTION

THIS PAGE INTENTIONALLY LEFT BLANK

COUNTY OF NEVADA
Statistical Section

This part of the County's comprehensive annual financial report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the County's overall financial health.

- **Financial Trends**

These schedules contain trend information to help the reader understand how the County's financial performance and well-being have changed over time.

- **Revenue Capacity**

These schedules contain information to help the reader assess the factors affecting the County's ability to generate its property and sales taxes.

- **Debt Capacity**

These schedules present information to help the reader assess the affordability of the County's current levels of outstanding debt and the County's ability to issue additional debt in the future.

- **Demographic and Economic Information**

These schedules offer demographic and economic indicators to help the reader understand the environment within which the County's financial activities take place and to help make comparisons over time and with other governments.

- **Operating Information**

These schedules contain information about the County's operations and resources to help the reader understand how the County's financial information relates to the services the County provides and the activities it performs.

Sources: Unless otherwise stated, the information in this section is derived from the comprehensive annual financial reports for the relevant year. The County implemented Governmental Accounting Standards Board Statement No. 34, Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments, in FY 2002-03; schedules presenting the government-wide activities include information beginning from that year.

¹ Net expense is the difference between the expenses and program revenues of a function or program. It indicates the degree to which a function or program supports itself with its own fees and grants versus its reliance upon funding from taxes and general revenues. Numbers in parentheses are net expenses, indicating that expenses were greater than program revenues and therefore general revenues were needed to finance that function or program.

Notes: In FY 2010-11 the County implemented GASB 54 under which governmental fund balances are reported as nonspendable, restricted, committed, assigned, and unassigned.

The implementation of GASB Statement 34 in fiscal year 2003 resulted in the reclassification of funds from fiduciary to governmental in accordance with the expanded definition of governmental fund types. These and other changes necessitated by the implementation of GASB Statement 34 make the information prior to and after the implementation incomparable.

¹ Article XIII A, added to the California Constitution by Proposition 13 in 1978, fixed the base for valuation of property subject to taxes at the full cash value that appeared on the Assessor's 1975-76 assessment roll. Thereafter, full cash value can be increased to reflect:

- a) annual inflation up to 2 percent;
- b) current market value at time of ownership change;
- c) market value for new construction.

² Includes aircrafts

Note: Estimated actual value of taxable property cannot easily be determined as property in the County is not reassessed annually, reassessment normally occurs when ownership changes.

¹ On June 6, 1978, California voters approved a constitutional amendment to Article XIII A of the California Constitution, commonly known as Proposition 13, that limits the taxing power of California public agencies. Legislation to implement Article XIII A (Statutes of 1978, Chapter 292 as amended) provides that notwithstanding any other law, local agencies may not levy property taxes except to pay debt service on indebtedness approved by voters prior to July 1, 1978 or any bonded indebtedness for the acquisition or improvement of real property approved on or after July 1, 1978 by two-thirds of the voting public.

² Proposition 13 allows each county to levy a maximum of \$1 per \$100 of full cash value. Full cash value is equivalent to assessed value pursuant to Statutes of 1978, Senate Bill 1656.

¹The levy and collection amounts include special assessments, penalties, cost, and any applicable interest. They do not include supplemental taxes. Also, the levy is based on the equalized roll and all escaped assessments and assessor's roll corrections processed within the fiscal year.

²This reflects the current levies unpaid at year end. Currently, the County's property tax system does not have the ability to track delinquent collections by the respective year of the levy.

Total Net Debt Applicable to the Limit as a Percentage of Debt Limit	31.06%	26.27%	22.84%	19.56%

¹ Assessed value is equal to full cash value.

² The legal debt limit is 1.25% of assessed valuation.

³ General bonded debt includes bonds, notes, certificates of participation, loans and capital leases. Does not include compensated absences, net pension obligations, landfill postclosure costs or claims and judgments.

⁴ Legal debt margin is computed by subtracting the County legal general obligation bonded debt from the legal debt limit.
