This is the Annual Crop Report as required by Section 65.5 of the Agricultural Code. The following pages cover acreage, production, and value of the various crops grown in the county.

On request, this report is sent to Federal, State and County Agencies throughout the United States, and to other interested parties. The members of the departments have made a sincere effort to make this report as accurate as possible.

Our sincere appreciation is extended to the many individuals and organizations who cooperated in the gathering of the figures for this report.

Respectfully submitted,

L. G. Lageson
