**ROAD NAME APPLICATION**

Title 16, Chapter 2 of the Nevada County Code establishes regulations for the naming of roads within the unincorporated portion of the County. All roads providing access to more than two lots are required to have a name. The primary purpose of road naming is to facilitate property location for emergency service providers. The requirement to name a road does not in any way alter the legal status of the road or dictate any type of road improvements.

The attached application form must be filed with the Planning Department, accompanied by the current filing fee. Roads that are required to be named as part of a County-approved land division are not required to pay filing fees.

All road names shall be in accordance with Section 16.02.040 Road Naming Standards. Posting of road name signs shall be in accordance with Section 16.02.050 Posting of Named Roads.

Private roads signs are the responsibility of the property owner(s). They can be ordered from a private sign company or you can contact your local fire district. Most fire districts in Nevada County will place your order for you. County ordinance requires signs be placed as follows:

1. Signs shall be located at the convergence of your road with another named road, eight feet off the traveled way or two feet from a curb or dike face. The base of the street sign shall be a minimum of seven feet above the plane level with the edge of traveled way.
2. All lettering shall be a silver scotchlite or non-reflective white. Letters shall be a minimum 4" in height for the road name and a maximum of 2" in height for the designation (Road, Street, Way, Court, etc.).
3. Sign backgrounds should be a dark, non-reflective color (you may use the same color as County signs, dark green).
4. The standard road sign size varies between 30" to 36" wide x 6" high.

# ROAD NAME APPLICATION

1. All landowners must agree to the name change.
2. All road names must meet the requirements of Section 16.02.040 Road Naming Standards. Personal names should be avoided unless denoting area history; derogatory names will not be approved nor will duplicate road names. Variances in designation (Street, Road, Way, etc.) are not considered different names. For example, if you propose Dizzybird Road and there is already a Dizzybird Avenue, your suggestion is considered a duplicate. Designate your names as follows:
  - a. Street or Road for north-south roads
  - b. Avenue or Way for east-west roads
  - c. Drive or Lane for curving or winding roads
  - d. Court or Place for cul-de-sacs or deadends
  - e. Loop or Circle for roads that come off a named road and re-access onto that named road.
