

# RESOLUTION No. 16-333

## OF THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA

### RESOLUTION CALLING AN ELECTION FOR, AND AUTHORIZING THE SUBMISSION TO THE VOTERS OF A MEASURE TO CONTINUE THE NEVADA COUNTY LIBRARY SALES TAX FOR AN ADDITIONAL 15 YEARS AND TO ADJUST THE TAX RATE FROM ONE-EIGHTH (1/8) OF ONE CENT TO ONE-QUARTER (1/4) OF ONE CENT, AND CONSOLIDATING THE ELECTION WITH THE NOVEMBER 8, 2016, STATEWIDE GENERAL ELECTION (4/5 AFFIRMATIVE VOTE REQUIRED)

WHEREAS, Revenue and Taxation Code section 7286.59 authorizes the County, with voter approval, to establish a special tax to support Library services; and

WHEREAS, in 1998, the voters approved a special 1/8<sup>th</sup> cent sales tax for a period of 5 years, and in 2002 the voters approved an extension of the sales tax for 15 years which is set to expire in September 2018; and

WHEREAS, the Nevada County Library relies on limited County funding, special taxes and donations to fund services for all County residents; and

WHEREAS, expenses have outpaced revenues in recent years, making it difficult for the Nevada County Library to maintain or improve services and the Library is at risk of decreasing Library service hours; and

WHEREAS, on May 19, 2016, the Library Committee, composed of community members representing a wide range of interest groups in Nevada County, voted to recommend that the Board of Supervisors submit a proposal to further extend and to adjust the Library Sales Tax to the voters of the County of Nevada for consideration at the statewide general election on November 8, 2016; and

WHEREAS, on June 28, 2016, the Information and General Services Agency Director and the County Librarian joined with the Library Committee to recommend that the Board of Supervisors submit a proposal to further extend and to adjust the Library Sales Tax to the voters of the County of Nevada for consideration at the statewide general election on November 8, 2016; and

WHEREAS, the proposed measure would (a) extend the Library Transactions and Use Tax for an additional 15 years; (b) adjust the maximum tax rate from 1/8<sup>th</sup> cent to 1/4<sup>th</sup> cent; (c) revise the existing Expenditure Plan to guide the use of the funds generated by the proposed tax; and (d) make other amendments to Article 7 of the Nevada County General Code consistent with this proposal and current state law; and

WHEREAS, the Board of Supervisors desires to submit the ballot measure to the voters at the next regularly scheduled County and Statewide General Election on November 8, 2016; and

WHEREAS, consolidating an election on the measure with the November 8, 2016, County and Statewide General Election significantly reduces the cost to taxpayers for conducting an election while providing for the highest level of voter participation in the election process.

NOW, THEREFORE, BE IT RESOLVED by the Nevada County Board of Supervisors that:

### FULL TEXT OF BALLOT MEASURE

#### ARTICLE 7. LIBRARY TRANSACTIONS AND USE TAX

##### Sec. G-V 7.1 Title

This Article shall be known as the Nevada County Public Library Transactions and Use Tax Article of the County of Nevada. The transactions and use tax provisions of this Article shall be applicable in the incorporated and unincorporated territory of Nevada County.

##### Sec. G-V 7.2 Purpose of Article

The Board of Supervisors of the County of Nevada hereby declares that this Article is adopted to achieve the following, among other, purposes and directs that its provisions be interpreted to accomplish those purposes:

- A. To adopt a one-quarter of 1 percent (0.25%) retail transactions and use tax pursuant to the provisions of Part 1.6 (commencing with section 7251) and Part 1.7 (commencing with section 7280) of Division 2 of the Revenue and Taxation Code, and as specifically authorized by section 7286.59 of the Revenue and Taxation Code;
- B. To adopt a retail transactions and use tax article which incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are consistent with the requirements and limitations contained in Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code;
- C. To adopt a retail transactions and use tax article which imposes a tax and provides a measure for it that the Board of Equalization can administer and collect in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the State Board of Equalization in administering and collecting the California Sales and Use Taxes;
- D. To adopt a retail transactions and use tax article which can be administered in a manner which will be, to the greatest degree possible, consistent with the provisions of Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, reduce the cost of collecting the transactions and use taxes and simultaneously reduce the burden of record keeping upon persons subject to taxation under the provisions of this Article;
- E. To adopt a retail transactions and use tax article that provides for funding public library acquisition, programs and operations within Nevada County.

##### Sec. G-V 7.3 Use of the Tax; Annual Report

- A. All revenues from the tax shall be deposited into a special fund and used exclusively to fund projects and purposes described in the Expenditure Plan set forth in Section G-V 7.4. Such revenues shall be used only to supplement existing Library funding, and shall not be used to supplant existing funding for the support of County library services.
- B. Pursuant to Government Code sections 50075.1, *et seq.*, the County's Chief Fiscal Officer shall file a report annually with the Board of Supervisors regarding the amount of tax revenue collected and expended, and the status of any project funded by the tax revenue pursuant to the Expenditure Plan.

## Sec. G-V 7.4 Expenditure Plan

The Expenditure Plan is designed to provide and continue to improve library services by accomplishing the specific projects listed below with the revenues from the transactions and use tax generated over the voter-approved period. The expenditure plan preserves the existing libraries, enhances services and collections at the libraries, and extends branch library services to the served and unserved areas of the County. An annual expenditure plan for the use of funds allocated to library services shall be reviewed and adopted by the Board of Supervisors prior to July 1 of each year.

The specific projects for which the revenues from the transactions and use tax shall be expended are contingent upon total revenue received and allocated as follows:

- A. OPEN HOURS: Extend hours at Library locations in response to needs and desires of Library users.
- B. PROGRAMS AND SERVICES FOR CHILDREN AND TEENS: Increase children's services at all age levels and at all circulating library branches, including for the Summer Reading Program. Provide after school programs, homework help, and reference services for students at circulating branches in response to needs and desires of Library users.
- C. LIBRARY MATERIALS: Increase books and other materials for all ages and replace worn and out-of-date items at all library locations. Continue to include a variety of formats, such as DVDs, audiobooks, eBooks, and online resources.
- D. INFORMATION AND TECHNOLOGY ACCESS: Provide current information services and products in libraries and for remote access. Keep apace with changing and emerging technologies. Increase and improve public access to computers, high-speed broadband, and other technologies such as 3D printers, tablets, video conferencing, software, etc. Provide technology and digital literacy based educational classes for all ages.
- E. SERVICES FOR SENIORS AND LIBRARY USERS WITH DISABILITIES: Improve the accessibility of library locations, services, and materials for seniors and library users with disabilities. Offer a variety of library materials and services in order to be inclusive of the needs of all library users.
- F. LIBRARY SERVICE LOCATIONS: Establish, move or add library service locations in areas where the demand for services and cost effectiveness is warranted. Improve and enhance current service locations to meet community needs and the objectives listed in this expenditure plan.
- G. CITIZENS OVERSIGHT COMMITTEE: A Citizens Oversight Committee will be appointed by the Board of Supervisors consisting of members of the public interested in the continued operation of the public libraries. The purpose of the Committee will be to ensure that the proceeds of the library sales tax are appropriated in accordance with the Expenditure Plan set forth in this Section. Such Committee shall serve without compensation.
- H. The County Librarian will meet with representatives of the County's Eastern and Western Friends of the Library organizations to develop and propose an equitable and fair fiscal plan for the operation of the libraries and the proceeds of the tax.

### Sec. G-V 7.5 Contract with State

Before the Operative Date, the County of Nevada will contract with the State Board of Equalization to perform all functions incident to the administration and operation of this Article; provided, that if the Nevada County Library has not contracted with the State Board of Equalization before the Operative Date, it will nevertheless reach an agreement, with the operative date to be the first day of the first calendar quarter following the execution of the contract.

### Sec. G-V 7.6 Transactions Tax Rate

For the privilege of selling tangible personal property at retail, a tax is imposed upon all retailers in the incorporated and unincorporated territory of the County at the rate of one-quarter of one percent (0.25%) of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in the territory on and after the Operative Date.

### Sec. G-V 7.7 Place of Sale

For the purposes of this Article, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his or her agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, despite the place to which delivery is made. In the event a retailer has no permanent place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the State Board of Equalization.

### Sec. G-V 7.8 Use Tax Rate

An excise tax is imposed on the storage, use or other consumption in the County of tangible personal property purchased from any retailer on and after the operative date of this Article for storage, use or other consumption in the territory at the rate of one-quarter of 1 percent (0.25%) of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax despite the place to which delivery is made.

### Sec. G-V 7.9 Adoptions of Provisions of State Law

Except as otherwise provided in this Article and to the extent that they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are adopted and incorporated by this reference.

### Sec. G-V 7.10 Limitations on Adoption of State Law and Collection of Use Taxes

- A. In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, wherever the State of California is named or referred to as the taxing authority, the name of this County shall be substituted for it. However, the substitution shall not be made when:
1. The word "State" is used as a part of the title of the State Controller, State Treasurer, State Board of Control, State Board of Equalization, State Treasury, or the Constitution of the State of California.
  2. The result of that substitution would require action to be taken by or against this County or any agency, officer, or employee of it rather than by or against the State Board of Equalization, in performing the functions incident to the administration or operation of this Article.

3. In those sections, including, but not necessarily limited to, sections referring to the exterior boundaries of the State of California, where the substitution would be to:
    - a. Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part I of Division 2 of the Revenue and Taxation Code;
    - b. Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the State under the provisions of that code.

- B. The word "County" will be substituted for the word "State" in the phrase "retailer engaged in business in this State" in Revenue and Taxation Code section 6203 and in the definition of that phrase in Revenue and Taxation Code section 6203.

#### Sec. G-V 7.11 Permit Not Required

## Measure A – Increase and Extend Library Sales Tax

The following fiscal impact of Measure A was provided by Nevada County Auditor-Controller

In June of 1998, the voters of Nevada County approved a 1/8<sup>th</sup> cent library sales tax. The library sales tax was extended by the voters for an additional 15 years beginning in October 2003. The current extension will end September 30, 2018.

The library sales tax is the primary funding source of the Nevada County Library and accounts for over sixty percent of the library system revenue. The current sales tax measure has generated, on average, \$1.58 million per year over the past 14 years to fund the operations and programs of the Library. This annual amount is subject to the fluctuations of the local economy and ranged from a fiscal year low of \$1.28 million to a high of \$1.88 million. Other revenue sources for the Library include patron donations, various grants and an annual required allocation from the County's General Fund. The expenditures of the County Library operations supported by the existing sales tax measure have been made in accordance with the Expenditure Plan as outlined in the County General Code: Section G-V Article 7. - Library Transaction and Use Tax.

The proposed Measure A - County Library Sales Tax - would increase the sales tax rate to 1/4<sup>th</sup> cent and generate an estimated average annual revenue stream of \$4.2 million over the extended 15 year period from the establishing date. The amount of revenue may increase or decrease each year over the fifteen year period due to inflation, general economic conditions, population growth, or other factors. The expenditures of the County Library operations supported by this sales tax measure are to be made in accordance to the Expenditure Plan as outlined in the measure.

In accordance with the Elections Code, the scope of this fiscal impact statement has been limited to the measure's effect on revenues and expenditures.

## IMPARTIAL ANALYSIS Measure A

State law authorizes a county board of supervisors to propose a special countywide transactions and use tax ("sales tax") for public library programs, operations and facilities within the county. In June 1998, the Nevada County Board of Supervisors ("Board") proposed, and the voters approved, a special library sales tax at the rate of 0.125% for 15 years. In November 2002, the Board proposed, and the voters approved, a continuation of the 0.125% special library sales tax which will expire on September 30, 2018.

The Board adopted Ordinance 2414, which amends the current special library sales tax ordinance by increasing the special tax rate from 0.125 percent to 0.25 percent, and extending the term of the special tax for an additional 15 years. This Ordinance is subject to approval by, and will only become effective if, 2/3rds of the voters voting on this ballot Measure approve the Measure. If the Measure is approved by the voters, the adjusted tax rate will replace and supersede the existing tax rate as of April 1, 2017. If the Measure is not approved by the voters, the existing library special tax will remain in effect at the current rate, but only until it expires.

As required by State law, proceeds from the special library tax must be placed in a special fund and may only be used for the specific purposes identified in Expenditure Plan included in the Measure. These purposes include adding and relocating library services based on demand and cost effectiveness; extending service hours at library branches; providing increased programs and services for children, teens, seniors and persons with disabilities; increasing and replacing worn out and out-of-date library materials; increasing and improving information services and technology access in branch libraries and remote locations; and the continuation of a Citizens Review Panel established by the Board to ensure that proceeds from the special library sales tax are appropriated in accordance with the Expenditure Plan. The Measure requires that revenues collected from the special library tax be used only to supplement existing Library funding, and not to supplant existing funding for Library services.

The Measure requires the County's Chief Fiscal Officer to file an annual report with the Board regarding the amount of special library tax revenue collected and expended, and the status of any project funded by the special library tax revenue.

The special library tax would be imposed on all retailers in the incorporated and unincorporated County for the selling of tangible personal property at retail, subject to certain exemptions and exclusions identified in the Measure.

A "Yes" vote is a vote to approve the special Library sales tax at the adjusted rate of one-quarter of one percent and extend the special tax for an additional 15 years

A "No" vote is a vote to disapprove the special Library sales tax at the adjusted rate of one-quarter of one percent and an extension of the tax at the adjusted rate for an additional 15 years

The above statement is an impartial analysis of Measure A. If you desire a copy of the Measure, please call the Nevada County Elections office at 530-265-1298 and a copy will be mailed at no cost to you.
