

LOCAL APPOINTMENTS LIST

2026 MADDY LIST

ANNUAL LISTING OF COMMISSIONS AND COMMITTEES APPOINTED BY THE BOARD OF SUPERVISORS WHOSE TERMS WILL EXPIRE IN 2026

On January 1, 1977, the Maddy Local Appointive List Act of 1975 (Government Code Section 54970-54975) became effective. The intent of this legislation was to make citizens more aware of the many opportunities which exist to participate in, and serve on, local regulatory and advisory boards, commissions, and committees. The legislation attempts to correct this lack of awareness through public posting of unscheduled vacancies and an annual publication of all boards, commissions, and committees appointed by the Board of Supervisors.

The County of Nevada publicly posts all unscheduled vacancies on citizen committees appointed by the Board of Supervisors in the Clerk of the Board's office and other designated locations around the County within 20 days after the vacancy occurs. No appointment is made to that position for 10 working days after the posting, except on an acting basis in an emergency.

Annually, on or before December 31, an appointments list of all regular and ongoing citizen committees appointed by the Board of Supervisors is prepared and made available to the public for a reasonable fee, which does not exceed the actual cost. As required by the Act, the appointments list contains the committee names, names of incumbents, dates of appointments, term expirations, and qualifications for the positions.

PLEASE NOTE: While not legislatively required, probably the most important qualification for appointment is the nominee's time available and interest necessary for effective committee service.
