Dear Ms. Hankins,

We are residents of the Lake of the Pines Ranchos (LOPR) and strongly oppose any changes to the General Plan of southern Nevada County. My family and I moved here to be in a rural environment. More and more development is definitely changing the tone of the neighborhood.

Look at Saddleback Development and Dark Horse - both of these tore up indigenous flora and fauna for pretty much no purpose. Rincon del Rio is going up cater to a wealthy clientele. They should build close to a hospital. Put enough money into it and they can create whatever ambience they like.

Sincerely,

Trent Meacham
