*Dear Jessica, I have lived in Nevada county for over 30 years This letter is too inform you of my real concern over this surreal project. This project has somehow gone under the radar of the vast majority of homeowners for a long time. It has the smell of underhanded business. ( This is only my opinion and I have no proof nor mean to slander anyone.) But something is not right about this.*

*We moved to North Auburn in 1980 looking for a better lifestyle, and this amount of traffic in our neighborhood will change our very way of life. We have no opposition to a Senior development It just needs to be closer to either Grass Valley or Nevada city for a number of obvious reasons.*

*Sincerely
