

DIVISION 16: TOWER CLOCK
Canterbury International

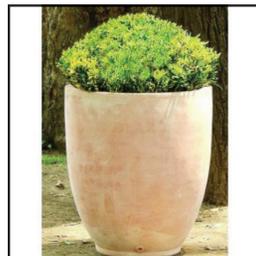

- Product Criteria and Qualities**
1. Durable mechanism construction.
 2. 3' diameter clock face.
 3. Finish and Color options.
- www.canterburyintl.com/index.shtml

DIVISION 12: OUTDOOR GARDEN BENCHES
Teak Wood Bench

- Product Criteria and Qualities**
1. Teak construction (wood sourced from sustainably managed forests).
 2. Construction durability suited to commercial conditions.
- www.simplybenches.com

DIVISION 12: PLANTER URNS
Resin or Fiberglass Planter

- Product Criteria and Qualities**
1. Durable resin or fiberglass construction with fade resistant color.
 2. Size options ranging from 18"-24" in diameter and 24"-42" height.
- www.simplyplanters.com

DIVISION 10: DORMER VENTS
New Concept Louvers

- Product Criteria and Qualities**
1. Custom shapes to match architectural intent.
 2. Finish and color options.
- www.conceptlouvers.com

DIVISION 8: EXTERIOR ENTRY DOORS
Simpson Performance Series

- Product Criteria and Qualities**
1. Wood construction (Wood sourced from sustainably managed forests) with Ultrablock Technology provides increased durability against weather.
 2. Insulated glass.
 3. Optional WaterBarrier Technology for exposed conditions.
 4. Certified lowest possible emissions of formaldehyde in wood based products for VOCs.
- www.simpsondoor.com

DIVISION 8: WINDOWS
Milgard Montecito (Vinyl)

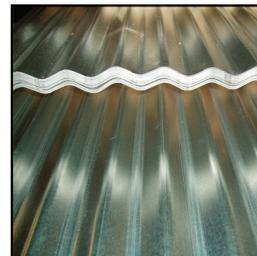

- Product Criteria and Qualities**
1. Energy Star Rated product.
 2. True divided light options.
 3. Smart touch locking assembly (automatically engages when window is closed).
 4. Multiple window type and configuration options.
- www.milgard.com

DIVISION 8: GARAGE DOORS
Full Light Roll up Garage Door (Clopay or similar)

- Product Criteria and Qualities**
1. Insulated glass and frame options for thermal and sound insulation.
 2. Finish options.
 3. Product takes advantage of seasonal indoor/outdoor opportunities.
- www.clopaydoor.com
www.glassgaragedoors.com

DIVISION 7: CORRUGATED METAL ROOFING
Metal Sales

- Product Criteria and Qualities**
1. Corrosion resistant products.
 2. Color options including galvanized or acrylic and kynar coatings.
- www.metalsales.us.com

DIVISION 7: RADIANT BARRIER
Polar-Ply Radiant Barrier

- Product Criteria and Qualities**
1. Integral with plywood roof sheathing for new construction (no additional labor).
 2. Reduces summer cooling loads. Blocks 97% of summer radiant heat.
 3. Flame retardant adhesive used to bind reflective membrane to plywood.
- www.polar-ply.com

DIVISION 4: GRASS PAVING SYSTEM
Grass Pave 2

- Product Criteria and Qualities**
1. Recycled product.
 2. Invisible substructure.
 3. Permeable for storm water mitigation.
 4. Smooth stable surface for wheelchair access.
 5. Meets load requirements for Fire truck access.
- www.invisiblestructures.com/grasspave2.html

DIVISION 4: PERMEABLE PAVERS (FIRE LANE @ VILLAGE CENTER)
Basalite Permeable Pavement

- Product Criteria and Qualities**
1. Permeable for storm water mitigation.
 2. Regional production to minimize transportation distance.
 3. Color and shape variety.
 4. Smooth surface for ADA compliance.
 5. Meets load requirements for Fire truck access.
- www.basalite.com

DIVISION 3: INTEGRAL COLOR CONCRETE
Solomon Colors Inc.

- Product Criteria and Qualities**
1. Color integrity.
 2. Flexible scoring patterns.
 3. Smooth surface for ADA compliance.
 4. Meets load requirements for Fire truck access.
- www.solomoncolors.com

DIVISION 16: EXTERIOR LIGHTING
Lumec, Domus Small Series

- Product Criteria and Qualities**
1. IDA (International Dark Sky Association) approved.
 2. Low energy usage. LED or Compact fluorescent bulb options.
 3. Matching configurations for pole lights, wall lights, and bollards.
 4. Durability suited to application.
- www.lumec.com

DIVISION 7: ASPHALT SHINGLE ROOFING
CertainTeed Roofing (Landmark Solaris)

- Product Criteria and Qualities**
1. Energy Star Rated product. Reflective aggregate reduces solar heat gain while still allowing for darker color options.
 2. Product backed by minimum 50 year warranty.
 3. Energy Star award for green manufacturing practices.
- www.certainteed.com

DIVISION 7: FIBER CEMENT SIDING
CertainTeed Weather Boards (Random Squares, Strait Edge, Prefinished)

- Product Criteria and Qualities**
1. Increased durability as compared with wood siding with less maintenance.
 2. Matches wood siding aesthetic.
 3. Prefinished for durability and reduced labor.
 4. Energy Star award for green manufacturing practices.
