

Press Release: Comments to the Community Advisory Group (CAG)

Nevada City, California
July 11, 2017
For Immediate Release

To encourage an inclusive and participatory Cannabis Regulation Community Advisory Group (CAG) process, the CAG receives written and emailed comments from the public in addition to hearing public comment at the end all CAG meetings. Written comments are easy to submit at the meetings or via email to cagmeetingcomments@migcom.com at any time, and are an important part of receiving input as the CAG works to recommend a new, permanent Cannabis Ordinance for Nevada County. All written comments submitted within 48 hours of each meeting are distributed to the CAG members for review and consideration and are included in the meeting summary. Commenters are not required to identify themselves, per the Brown Act, and all published comments are redacted to remove personal identity. [Meeting materials](#), [related documents](#), [email CAG comments](#), and [CAG meeting videos](#) are available to the public on the [Cannabis Conversations website](#).

The Cannabis Regulation Community Advisory Group (CAG) was formed by the Board of Supervisors to advise the Board on the development of a permanent Cannabis Ordinance for Nevada County. This inclusive process will take into account the input of all community stakeholders. Nevada County has contracted [MIG](#) as a consultant during this process. MIG will provide facilitation services for the Cannabis Regulation Community Advisory Group to ensure a fair and equitable process while advising and drafting a new Cannabis Ordinance.

Please visit our [Cannabis Conversation website](#) for up-to-date information.
