# Q7b. Should **cannabis tasting rooms** at cultivation sites be allowed in Nevada County?

A. Yes, they should be allowed

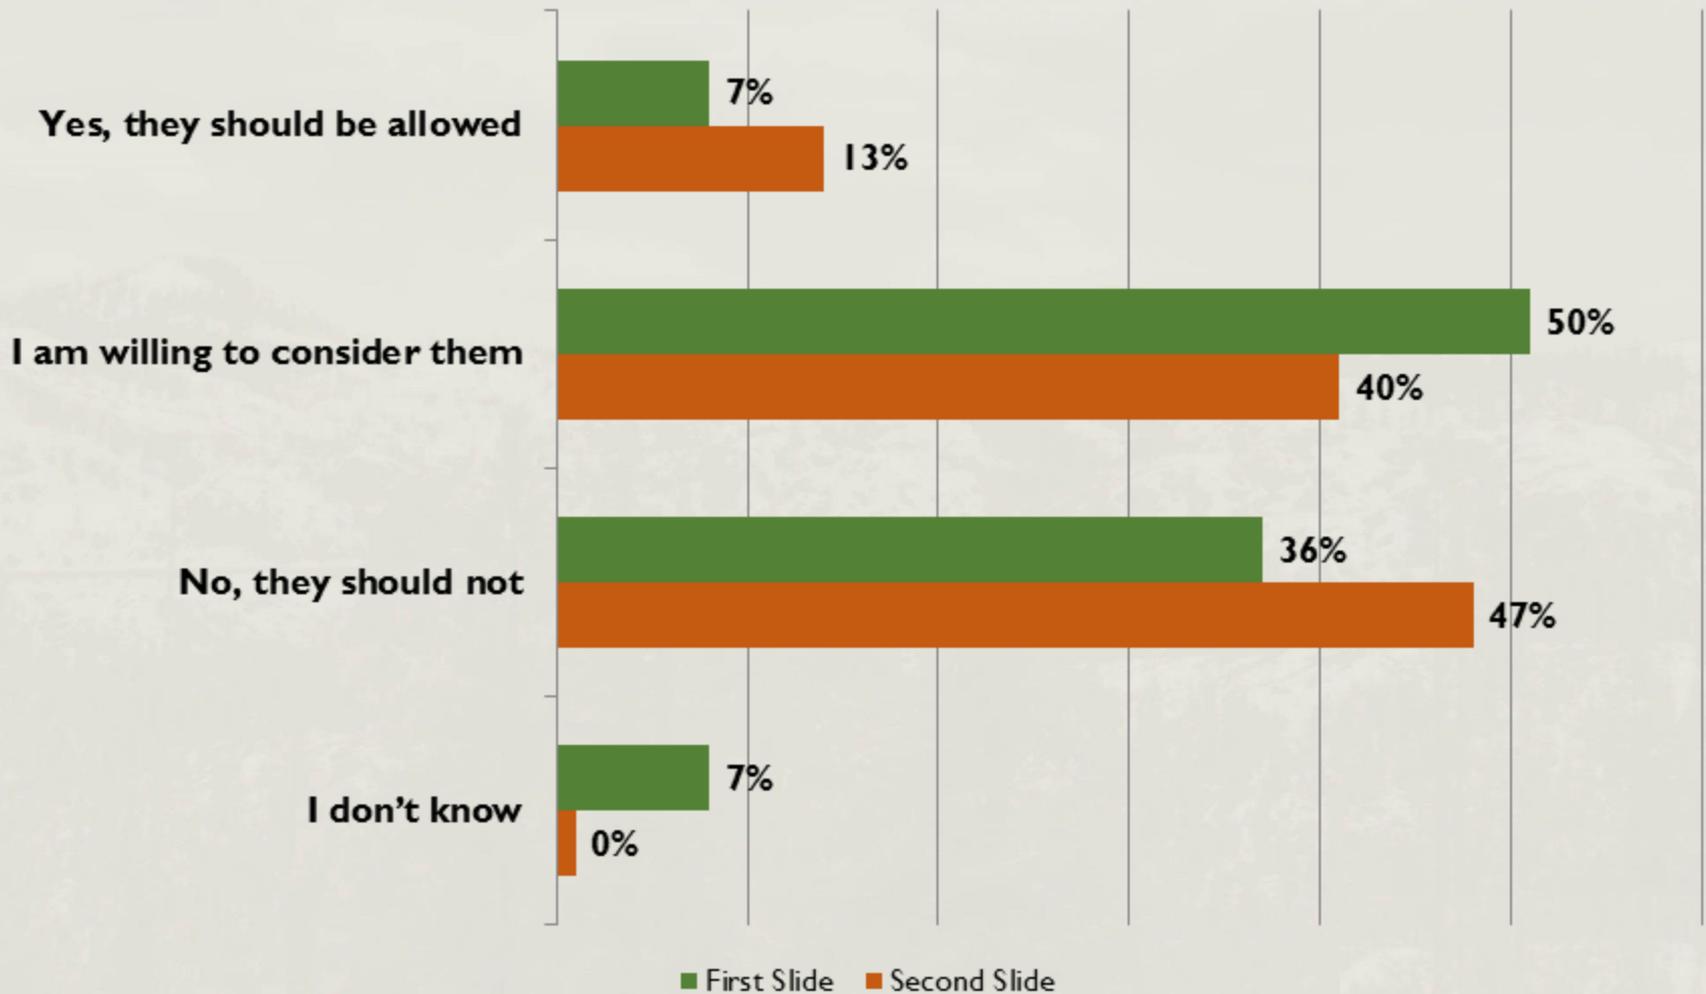

B. I am willing to consider them

C. No, they should not

D. I don't know

## Q7b. Should cannabis tasting rooms at cultivation sites be allowed in Nevada County?

# Summary and Next Steps

# Public Comment

The background of the slide is a faded, light-colored image of a mountain range. The mountains are covered in dense evergreen forests. A road or path is visible winding through the valley between the mountain peaks. The overall tone is soft and natural.

**Thank You!**
