Concealed Weapons Coordinator Conference 2022

March 8th, 2022 — March 9th, 2022

Keynote Speaker

John "Tig" Tiegen

John 'Tig' Tiegen leverages over 13 years of high-profile security and force protection expertise within contract and government agencies along with his military experience as a Marine Sergeant, to bring a powerful, thought-provoking, and engaging presentation of his *first-hand* account of the Benghazi Attacks to his audiences. **The Battle of Benghazi:** On September 11, 2011, Islamic militants attacked the

American Diplomatic Compound in Benghazi, Libya. Quiet and precise, Tig was the most experienced Annex Security Team member. Defying a stand down order, he along with his team, rushed into burning buildings to defend the Consulate and fought arm-in-arm in defense of the Annex, holding off the radical Islamic terrorist until CIA employees could be safely evacuated.
