

THE POLICE & WORKING K-9 FOUNDATION COVER YOUR K-9 EMERGENCY MEDICINE SEMINAR

A seminar for active duty California law enforcement canine handlers

WED. JUNE 22, 2022
9 A.M. – 5:30 P.M.

LOCATION: ALAMEDA CO SHERIFF'S OFFICE
HOMELAND SECURITY & EMERGENCY SERVICES AUDITORIUM
4985 Broder Blvd., Dublin, CA 94568

The Cover Your K-9 Fund has offered K-9 Emergency Medicine courses that have been attended by more than 2,050 law enforcement K-9 handlers from local, CA State and federal agencies over the past 12 years & has received excellent reviews. We offer instruction from the highest level of veterinary medical specialists who have decades of successful experience in the medical and emergency care & management of working K-9s. Active duty California K-9 handlers & members of their command staff are encouraged to attend. As space is limited, priority is given to units that have volunteered with us.

Topics will include preventive care & maintenance of the working dog, K9 conditioning, emergency care, drug and poison exposure, trauma management, heat injury and other essential life-saving information. There will be a hands-on portion where handlers will learn hemorrhage control, splinting, bandaging & wound care, CPR & oxygen management for a canine in distress due to a medical emergency. Rather than use canine manikins, our local Search & Rescue K9 teams and vets techs generously assist by bringing their dogs to act as demo dogs for all handlers to learn to take vital signs & practice bandaging on live dogs.

Upon completion of instruction, a custom Cover Your K-9 Trauma Kit Backpack valued at over \$300 is provided to eligible participants. Supplies for canine emergency response included are far beyond those provided in the basic commercially available canine first aid kits. We are a non-profit, all volunteer organization & there is **no charge** for the K-9 Emergency Medicine Course or the Custom K-9 Trauma Kit.

Due to the 2 year delay with Covid issues 2022 Courses are by invitation only: K9Med@pawk9.org
