

# Apprehending Fleeing Suspects: Suspect Tactics and Perimeter Containment

SPEAKER:  
**Jack H. Schonely**  
*Officer Tactics*

Jack H. Schonely has 42 years of law enforcement experience. He is a nationally recognized expert in the area of suspect tactics and perimeter containment. Jack is a certified instructor with the California Police Officer Standards Post and Training.

## SUSPECT TACTICS

In depth look at the trends and tactics being used by criminals attempting to evade capture on foot. This section also takes a look at suspect hiding locations and officer search tactics and techniques.

## PERIMETER CONTAINMENT

Learn proven techniques to contain and capture suspects on the run, ammunition during foot pursuits, responsibilities of responding officers, perimeter management, supervisor's responsibility, use of specialized units, decision making, and debriefing techniques.

## OFFICER DOWN DEBRIEFS

Debrief 5 "shots fired officer down" scenarios as they relate to perimeter containment. Avoiding "tunnel vision" and "thinking outside the box" are both discussed at length. Discuss successes and failures.
