## Association Annual Conference Fall 2022

### Continuing the Legacy of Service

As CA PA|PG|PC's Fall 2022 conference draws near, we wanted to send you a few quick reminders on registration and the event app which is an important tool to help you navigate key information you will need to know when attending the conference.

#### REGISTRATION

There are several important registration dates coming up that we wanted to remind our members about. A full list of ticket pricing can be found [here](#).

- Regular ticket pricing is offered from Aug 14- Aug 28.
- Online registration ends Aug 28. Registration after this date is based on limited availability at the conference only. Special event tickets such as our luncheon will not be available at the conference.

#### HOTEL INFORMATION

- The Association's Hotel Block will be reserved until Aug. 24th.
- Room Block Rates at the Renaissance Palm Springs Hotel are locked in at \$139 +taxes/per night.
- The hotel link will be sent to registrants once a conference ticket has been purchased.

#### CONFERENCE BROCHURE

The Conference App is now available! As we mentioned earlier, we will not be distributing a conference brochure this year but instead will be using the mobile app Go Engage to provide key conference information including:

- Frequently Asked Questions to guide you through the conference
- Links to class presentations and training materials that you can download for your reference.  
**Please note:** training materials will be available on the App 1 week before the conference and unless noted on the app, presentation and training materials will not be provided at the conference.
- Information on each of our speakers

To access the app, click on the links below based on the type of phone you use.

- [GoEngage Apple App](#) (on Apple Store)
- [GoEngage Android App](#) (on Google Store)

We have created a user guide to walk you through the login process as well as step by step instructions on how to use the platform. Simply click below to view and download.

[CONFERENCE APP USER GUIDE](#)

**Please Note:** You must use the email that was used to register for the event otherwise you will be unable to access the platform.

Once you have opened the event on the conference app you will be able to view the following modules:

- **Sponsors:** An overview of the conference sponsors whose financial support help us put this conference on each year
- **Exhibitors:** A listing of exhibitors that will have tables in the lobby area for you to peruse
- **Venues:** Important venue information right at your fingertips
- **FAQ:** A listing of several resources to help you get the most out of the conference including event specific questions, conference policy and things to do in the area

Attendees will be added to the app 1-5 days after they register at which time they will be able to login and view additional modules including:

- **Attendees:** This provides attendee information. Attendees do have the ability to add information to their event profile including picture to make it easier for people to connect at the conference
- **Speakers:** A listing of conference speakers including bio and contact information
- **Schedule:** A breakdown of all the sessions as well as access to class materials. We highly recommend that people download the presentations prior to coming to the event. Session materials will not be handed out at the conference

Don't forget that you can view an overview of the conference agenda [here](#) in the meantime.

As always, please feel free to reach out to the Executive office at [info@capapggpc.org](mailto:info@capapggpc.org). We look forward to seeing many of you at the conference in Palm Springs!

Scarlet Hughes, Executive Director  
CA PA|PG|PC

## Who We Are

The California Association of Public Administrators, Public Guardians, and Public Conservators (CA PA|PG|PC) is a non-profit association representing government officials and employees who provide services to the citizens of California through the Public Administrator, Public Guardian and Public Conservator offices in each of California's 58 counties.

Our vision is to create a powerful voice for PA|PG|PC's to help them better serve California's most vulnerable dependent adults and decedent estates by fostering communication between county PA|PG|PC offices, developing and supporting training programs that provide professional levels of competency for our members and to provide legislative advocacy which empowers PA|PG|PC's to deliver quality services to their clients.
