

**\*\*This Course is POST Certified | AB 48 Compliant\*\***

# 40-HOUR CHEMICAL AGENT INSTRUCTOR COURSE

\*Beginning in January 2022, California Assembly Bill 48 states that any Kinetic energy projectiles and chemical agents shall only be deployed by a peace officer that has received training on their proper use by the Commission on Peace Officer Standards and Training for crowd control. All previous certifications prior to January 2022 have been de-certified. Southwestern Solutions Chemical Agent and Less Lethal Instructor Courses meet AB48 requirements and are POST certified.\*

---

Course description: This 40-hour POST approved and AB48 compliant instructor course will expose students to chemical agents, deployment techniques, understanding legal aspects (including AB48), and teaching techniques. Each student will participate in a group teach back prior to the conclusion of the course. The final exam consists of a written and practical application. This is the same Chemical Agent Instructor Course (CAI) previously hosted by CATO.
