

# Jail Training Officer (JTO)

Many law enforcement agencies have difficulty getting their newly promoted JTO/FTO officers trained properly to train newly hired staff. In many cases, brand new personnel are passed around to whomever is available to “train” them on any given day. This unfortunately leads to many new hires ultimately training themselves. This was never the way it was supposed to be. JTO trainers need to learn how to train and evaluate new officers effectively. This class will accomplish this task.
