

California Department of Justice (DOJ) – Sex Offender Registry California Sex and Arson Registry (CSAR) Introductory Training Schedule

Topic: California Sex and Arson Registry (CSAR) System Introduction

Audience: CSAR LEA End Users

Purpose: The purpose of the California Sex and Arson Registry (CSAR) Introductory Training sessions is to focus on providing CSAR users the knowledge needed to complete agency registration functions. These sessions will highlight various aspects of the California Sex Offender Registry, including completion of Registration Forms and CSAR database entries. Attendees will also be provided with information on how the Registry within California has changed as a result of the implementation of SB 384, including information on tier-based registration, updates to the Public Megan’s Law Website, the Petitioning, and the Termination Process.
