# Essential Animal Services Training (EAST)

Credentialed Animal Control & Cruelty Investigations Training  
Module B - March 13-17, 2023 – Reno, NV

---

Essential Animal Services Training (EAST) Academy is intended for a wide variety of professionals including animal cruelty investigators, animal control officers, veterinary professionals, animal welfare workers, members of animal rescue groups & others who are responsible for the care and control of animals and the investigation of animal cruelty cases. The EAST Academy curriculum consists of three 40 hour modules, each providing instruction in all aspects of animal control and animal cruelty investigations. We recommend Module A be taken first, and modules B and C may be taken in any order.

Upon successful completion of this curriculum (cumulative average score of 80% or above) students will receive a certificate of completion and are eligible to apply for continuing education credits (CEUs) from Colorado State University. Veterinary professionals are eligible to apply for CEUs from Colorado State University Veterinary Teaching Hospital.

EAST Academy continues the exemplary Code 3 standard of outstanding faculty who are qualified to teach the various subjects, not only by knowledge but also by experience. All of our faculty have “been there and done that” with practical field application.
