

Basic Maritime Officer's Course:

A ten day, 80-hour POST certified course for newly assigned marine patrol officers having designated authority under Chapter 4.5 of the California Penal Code who are (or will be) actively enforcing California boating laws. This course was designed for the newly assigned officer/deputy and will cover boating terminology, boat handling skills, navigation, weather, boating law, trailering, launching, recovery, marlinespike, vessel stops, response to emergencies, and water survival. The POST course title is 'Maritime/Basic Officer's Course', presenter #1820, course #20263.
