Dear Planning Commissioners:

Since the release of the Staff Report on April 25, 2023, the Planning Department has received a very large number of public comments concerning the proposed Idaho-Maryland Mine – Rise Grass Valley Project. This Memorandum is being provided to allow the Planning Commission the ability to review the submitted public comments which are being included as part of the public record. The included public comments have been submitted and received by the Planning Department from April 25, 2023, to May 5, 2023.
