

10-8 Tactics & Training, LLC

40-hour SERT Academy

June 20th-23th Host by
Yuba County Jail

10-8 Tactics & Training, LLC is a California based mobile training service. Founded by Todd Dearnmore, a retired Sergeant with over 25 years of experience, we believe in only the best and most realistic training. Our team of subject matter experts has a combined total of over 100 years of experience in training, consulting, supervision and management.

This dynamic 40-hour SERT Academy is designed to train and develop tactical teams to perform high-risk custody and community operations. The intent of the academy is to provide advanced tactical training through presentation, group exercise, and scenario-based training. This training will teach the necessary tactics and skills to ensure that your early responses can reduce the possibility of staff/offender injuries and reduce agency liability.

This training includes:

- Department specific policy and procedure review
- Department specific equipment orientation and operation review. This includes an overview of distraction devices/specialty impact munitions and tactical deployment considerations if approved by your agency.
- Liability training for tactical teams
- Advanced cell extraction
- Tactical and limited entries
- Riot control
- High risk transportation
- Tactical scenarios

Participants will be required to bring:

All their own SERT and Cell Extraction Equipment Any department policies such as but not limited to-Use of Force, Cell Extraction and Transporting Inmates
