

24-hour Cannabis Operations Hazards & Safety for Law Enforcement

\$799.00

3-Day Course

This program covers the hazards that law enforcement personnel may encounter when working in and around cannabis cultivation, extraction, and

processing operations. Training covers investigative techniques and operations, chemical and physical hazards (fertilizers, electricity, mold, etc.), the PPE and techniques necessary during response and dismantling, and proper disposal procedures. These topics are reinforced with hands-on practical exercises.

NOTE: This course does not provide OSHA-required (HAZWOPER) training for dismantling cannabis operations sites.

Group discount pricing is available as follows:

3-5 participants: 5% discount

6-10 participants: 10% discount

11-15 participants: 15% discount

16-20 participants: 20% discount

21 participants: contact *NES* at 1-800-NES-ADVISE (1-800-637-2384)
