

Greetings,

Class will begin at 0700 on Sept 7th, 2023 at [REDACTED], Sacramento.

Schedule as follows:

THURSDAY 9/7

0700-1200 CLASSROOM [REDACTED].

1200-1300 LUNCH

1300-1700 FIELD EXERCISE

FRIDAY 9/8

0500-1000 FIELD EXERCISE (start location will be announced at the end of Day 1)

1000-1100 LUNCH

1100-1500 FIELD EXERCISE

Make sure you dress comfortably with comfortable shoes as students will spend a lot of time in vehicles as well as foot surveillance.

There is a 1 hour lunch break each day but we recommend students bring a cooler with drinks and snacks.

Binoculars and anything else that would help make a surveillance operation easier are highly recommended.

Both days run pretty much the full 10 hours so please plan accordingly.

Teams will need one UC type vehicle for each two person team as we run this as a two person per vehicle class. While there are no scenarios where students would need to utilize a weapon, the class does go into some areas where all students should be armed during the training.

Please let your people know that it is expected to attend the full class, so if anyone has scheduling issues, please either replace them with someone for your agency, or let us know and we have a list of people from Sac PD that want to attend this training.

If there are any questions you or your detectives can call me anytime at the number below.

Looking forward to seeing you at the training.
