Nevada County Sheriff's Office and ABC Conduct General Enforcement to Promote Safe Skiing and Snowboarding at Local Ski Resorts

Truckee – Nevada County Sheriff's Office (NCSO) deputies and agents from the California Department of Alcoholic Beverage Control (ABC) visited four ski resorts located within Nevada County on Jan. 11, 2024 to increase public safety. Law enforcement officials checked compliance, provided education to businesses, and ensured alcohol was not being served to minors or those who have had too much to drink.

"Nevada County Sheriff's Office patrolled the local ski resorts to ensure the safety of the community," said Sergeant Andrew Liller.

"The department has been working with officials and local law enforcement to help make events and resorts safe and free of any alcohol-related incidents," said ABC Director Joseph McCullough. "ABC licensees can help keep communities safe by checking IDs and ensuring customers are not over-served."

ABC suggests licensees offer nonalcoholic drinks for designated sober drivers and monitor who is drinking alcohol. If staff see people leaving who have been drinking alcohol, they should check on how they are getting home and offer alternative transportation if needed.

NCSO and ABC agents monitored the surrounding area to make sure anyone selling alcohol had a license. Selling alcohol without a license is a violation of Section 23300 of the California Business and Professions Code.

Funding for this program was provided by a grant from ABC through the department's [Alcohol Policing Partnership \(APP\) program](#).
