## COURSES

### Records Clerk Course

---

Any dates listed for this course are with the intention of holding the class in-person unless shown otherwise. However, given the current travel restrictions for agencies, and the unknowns of future planning, this course may be presented in an online live format on any of the dates listed. We will do our best to notify all students and training managers at least 30-days prior to presentation if the course will be moved from in-person to online.

## Course Description

This course is designed for clerks who are relatively inexperienced in law enforcement records management and for others who want to update their skills and knowledge. Students will increase their understanding of legal restraints, areas of potential departmental liability, interpersonal communication, good law enforcement business practices, NCIC/CLETS, and stress management techniques.

## Course Topics

- Role of the Records Clerk in Law Enforcement
- Automated and Manual Systems
- Property and Evidence Control
- Overview of the Criminal Justice System Court
- Strategies for Personal Safety
- Stress Management
- Legal Restraints and Mandates for Making, Storing, and Destroying Records
- Improving Communications with the Sworn Personnel and Public
