Historical Milestones. Celebrating Progress. Acknowledging Trailblazers. Encouraging Future Firsts. Reflecting on Achievements.

The purpose of WLLE® is to bring together policing professionals in a supportive and empowering environment, enabling us all to learn from the knowledge and experience of others. WLLE® is a unique opportunity to network and connect with women and men who can help you succeed in your future endeavors. The symposium's goal is to continue to provide dynamic, contemporary training presented by subject matter experts in their fields and to help develop both professional and sworn members of the law enforcement community.

This year's theme, "The Last of the Firsts", focuses on celebrating the progress and advancements made in policing; acknowledges the pioneers and trailblazers who were the first to break barriers in the field; inspires current and future women leaders to continue pushing boundaries and making history; to consider what "firsts" may still be needed to advance policing as a whole.

WLLE® is THE event of the year and you can't afford to miss it!
