

Evacuation and Re-Entry Planning (G358)

Evacuation and Re-Entry Planning (G358): This course provides participants with the knowledge and skills needed to design and implement an evacuation and re-entry plan for their jurisdictions. It uses a community's vulnerability analysis and evacuation plan. It also addresses evacuation behavior and recommends methods to make evacuation and re-entry more efficient. This course does not address the decision to evacuate or re-enter.

Section Criteria: The persons responsible for planning, implementing, and carrying out evacuations within a jurisdiction. This includes, but is not limited to, state and local government emergency program managers, emergency planners, and response personnel.

Prerequisites:

- G606: SEMS Introduction

Course Length: 12 hours

Course Code: G358
