

Nevada County Pharmacy Vaccine Information

(updated 1/10/2025)

(All information based on phone calls with store pharmacies)

Children with Medi-Cal should be seen at their primary care provider or at Public Health

****All pharmacies below report taking Medi-Cal for adults, but clients will want to verify this before receiving vaccine****

Dokimo's East Main (530) 274-0100

640 E Main St #2, Grass Valley, CA 95945

Inventory: Covid-19 (not pediatric), Flu shots, Prevnar (Pneumococcal), RSV, Shingrix, and Tdap.

Minimum age: based on guidelines for the product but will not do under 6 years old.

Insurance: Doesn't take Wellcare, Cigna, Mutual of Omaha, CVS Care Mark, Healthnet, TriCare

Dokimo's Nevada City (530) 470-8854

737 Zion St, Nevada City, CA 95959

Inventory: Covid-19, Pediatric Covid (3-11), Flu, Prevnar (Pneumococcal), RSV, Shingrix, Tdap

Minimum age: 4 years old

Insurance: Doesn't take Wellcare, Cigna, Mutual of Omaha, CVS Care Mark, Healthnet, TriCare

Walgreens on Sutton (530) 271-1021

880 Sutton Way, Grass Valley, CA 95945

Inventory: Cholera, Covid-Moderna (12 years and up), Flu, Hep A, Hep B, Hep AB combo, HPV, Japanese encephalitis, MMR, Meningococcal, Smallpox vaccine (coming soon), Pneumococcal, Polio, Rabies (only pre-exposure), RSV, Shingles, Tdap, TD (no Dtap), TicoVac (tick-borne), Typhoid, Varicella

Minimum age: around 5 years old but up to pharmacist on duty

Insurance: Per call they do not take Caremark plans (that CVS uses), but otherwise says they take most

CVS on Sutton (530) 272-8881

1005 Sutton Way, Grass Valley, CA 95945

Inventory: Covid-Pfizer, Flu, Hep A, Hep B, Hep AB combo, HPV, Pneumo 23, RSV, Shingles, Tdap

Minimum age: 6 years old

Insurance: says they take majority of insurances, Cigna is out of network and out of pocket costs may be higher

CVS on McKnight (530) 615-2039

111 W McKnight Way, Grass Valley, CA 95949

Inventory: Covid-Pfizer, Flu, Hep B, Pneumococcal, RSV, Shingles, Boostrix (Tdap)

Minimum age: 3 years old

Insurance: says they take most and it's rare to get rejections

CVS Truckee (530) 587-5775

11411 Deerfield Dr, Truckee, CA 96161

Inventory: Covid, Flu, Hep B, HPV, Pneumovax, Shingles, Tdap

Minimum age: says it's 6 years old but depends on who is administering it and disposition of child

Insurance: says they take pretty much everything but sometimes run into issues where people want to use Nevada State Medicaid due to proximity to border

Safeway Pharmacy in Truckee (530) 582-7952

11290 Donner Pass Rd, Truckee, CA 96161

Inventory: Travel Health, Flu, Yellow Fever, said that they had "pretty much everything unless it's obscure"

Minimum age: 3 years old

Insurance: per employee they take almost all insurance, don't take Kaiser

Raley's Pharmacy (530) 272-2496

692 Freeman Ln, Grass Valley, CA 95949

Inventory: Flu, Pneumonia, RSV, Shingles, Tdap

Minimum age: 9 years old

Insurance: says they pretty much take everything, some insurances won't work but hard for them to tell before they run it
