14741 Wolf Mountain Road, Grass Valley

Staples

For list of acceptable items: [staples.com/stores/recycling#rec](https://www.staples.com/stores/recycling#rec)
646 Sutton Way, Grass Valley

Before you drop-off

Many electronic products (computers, cell phones, tablets, etc.) are used to store personal information. Before donating or recycling your equipment, remember to remove all sensitive and personal information from its memory. Note that simply using your keyboard or mouse to delete files does not necessarily completely remove the information from the device's memory. Your local software store can provide you with the necessary drive cleaning software appropriate for your system.

Where can I take household batteries?

AT THE CURB:

If you have curbside service, household batteries may be placed on top of your recycle cart in a sealable bag on your regular collection day.

DROP-OFF SITES:

- Briar Patch Community Market
- Eric Rood Administrative Center
- Grass Valley Library
- McCourtney Road Transfer Station
- Madelyn Helling Library
- Nevada City, City Hall
- North San Juan Transfer Station
- Staples
- Washington Transfer Station
