

RECYCLE USED OIL & OIL FILTERS AT YOUR CURB

Do you have curbside service with WM?
Here's how you can recycle used oil and filters at your driveway.

USED OIL

Call WM to get an approved oil container 530-274-3090. Containers will be delivered on your recycling collection day.

Carefully fill the container with the used oil and screw on the cap to avoid spillage.

Place the container on top of your recycling cart on your regular recycling pickup day.

USED OIL FILTERS

Place used oil filter in a resealable plastic bag.

Place the bag on top of your recycling cart on your regular recycling pickup day.
