

# CAL CARTS SUMMIT 2025

March 13th

8:00 a.m. - 5:00 p.m.

Conference Center  
University of CA, Davis

Disasters are unpredictable - our  
response to help our communities'  
animals shouldn't be!

Cal CARTs Summit 2025 invites emergency responders, community animal response team leaders, animal control officers, and other stakeholders who are involved in animal disaster planning and response in California.

Attending Summit 2025 is your opportunity to learn, network, and enhance your impact in saving animals during disasters.

Hosted By

## Presentations Include:

- Lessons Learned From The Los Angeles Wildfires and Hurricanes Helene & Milton
- How CARTs Can Coordinate More Effectively with Animal Control Agencies
- Preparing for Animal Reunification After Disasters
- Updates from CDFA, Cal OES, CalAnimals, and CVET
- CART training workshops scheduled on March 14th
