

## EVENT

# Recovery from Disasters: The Local Community Role (G205)

Last Updated 09/20/2024 Duration 24 hours

## Details

**Recovery from Disasters: The Local Community Role (G205):** This course introduces disaster recovery principles, practices and policies relating to Public Assistance and Individual Assistance programs, with and guidance on developing a local disaster recovery plan for community resiliency. The course discusses recovery planning at the local, state and federal levels. Examples are used from real disaster events by incorporating activities to support participant learning throughout the course, and giving participants the opportunity to develop an outline of their own recovery plan.

Participants receive a range of supplemental reference materials and related pre-disaster planning and disaster recovery resources containing links to model plans, templates, tools, lessons learned and best practices.

### **The core curriculum includes the following subjects:**

- Public Assistance
- Individual Assistance
- PDA/IDE Process
- The Declaration Process
- Short and Long-Term Recovery
- Leading and Managing Recovery
- Stakeholder Engagement and Information Management

## **Emergency Management Specialists Certificate:**

- This course meets one of the requirements for the CalOES/CSTI Emergency Management Specialist Certificate

### **Prerequisites:**

- G606: SEMS Introduction - **Available Online Here**

### **Recommended Prerequisites:**

- IS-100 Introduction to the Incident Command System (ICS)
