

# Jail and Prisoner Legal and Operational Issues Seminar

January 20-23, 20**25**

The 2025 AELE "Jail and Legal Issues Seminar" is cutting edge with how to use Artificial Intelligence (AI) for policy development, lesson plan and testing development, internal affairs policy violation identification, and much more. You will not want to miss this contemporary seminar taught by qualified professionals who have been in your shoes.

Other contemporary topics will be covered, too, and the presentation topics will be listed shortly. In the meantime, here are the speakers who have confirmed their presentations at the 2025 seminar.
