[Full Service Travel Medicine Consultation Program*, by SafeGard | Costco](#)

START YOUR CONSULTATION:

- Plan ahead. Order your Full Service Travel Medicine Consultation Program.
- Pay \$39.99 per traveler for an evaluation by a Travel Medicine Physician.
- Watch for an email from SafeGard Travel Medicine with login instructions. You should receive this within three to four hours. If not please call 800-955-2292 for online order support. Please check your spam folder as messages are occasionally routed to spam in error.
- After receiving this email, you may access the SafeGard travel consultation site, login and submit your medical history and itinerary for physician review.
- You will receive an email confirmation when your travel recommendations have been released to the pharmacy.
- You may then log back into the SafeGard Travel Medicine site to view your personalized travel report.
- Your pharmacy should contact you for an appointment for your travel shots/meds.

Routine vaccinations, including seasonal Flu, COVID. Prices dependent on type of vaccine, insurance coverages.
