The Unexpected City

Fort Worth is where the West begins.

“Fort Worth is where the West begins.

It is the 12th-largest city in the United States, known for Texas hospitality and a dozen remarkable districts full of culture and fun. The historic western Stockyards featuring the world’s only twice-daily cattle drive, Billy Bob’s Texas, the world’s largest honky-tonk and the new Mule Alley. A connected downtown with the 37-block Sundance Square entertainment district. The stunning museums of the Cultural District, the Botanic Garden and nearby Fort Worth Zoo. Located in the heart of downtown, the Fort Worth Convention Center spans 14 city blocks of the city's Central Business District, and has 253,000 square feet of total exhibit space and 59,000 square feet of flexible meeting space.”
