Investigative Report Writing
2 Hour Virtual Training
Wednesday, October 22, 2025 9:00am-11:00am
Mountain Time

Unlock your potential as a top-tier investigator with our comprehensive course on Investigative Report Writing. This training is essential for professionals who must create clear, concise, and objective reports that stand up to scrutiny.

- Enhance Your Professionalism: Learn to produce well-organized and professional reports that enhance your credibility.
- Boost Your Efficiency: Discover techniques to write more effective and comprehensive reports in less time.
- Defend Your Work: Equip yourself with the skills to write reports that can withstand legal challenges and scrutiny.

Course Highlights
- Objective Writing: Master the art of observing, collecting, storing, and writing information objectively.
- Factual Reporting: Learn to distinguish between factual statements and non-factual opinions or inferences.
- Clear Terminology: Use precise and clear language to avoid misunderstandings.
- Organized Structure: Develop reports with a clear and logical flow that includes all relevant information.
- Active Voice: Understand the power of active voice in creating direct and engaging reports.
