

Friendly and Certified Firearms Training for Women Since 2011

(<https://www.agirlandagun.org>)

## November 5-8, 2025 • Round Rock, TX

We proudly provide female Law Enforcement Officers three days of exceptional training and camaraderie. Hosted at the state-of-the-art Round Rock Public Safety Training Center, this annual event is part of our #GivingBack mission to make a difference. Officers earn TCOLE training hours, gain confidence in their weapons and DT skills, network and mentor with other women, and are rewarded for being role models, defenders, and guardians of their communities.

## Firearms Training

Officers spend time on the range with Master LE Instructors to hone their pistol and patrol rifle skills.

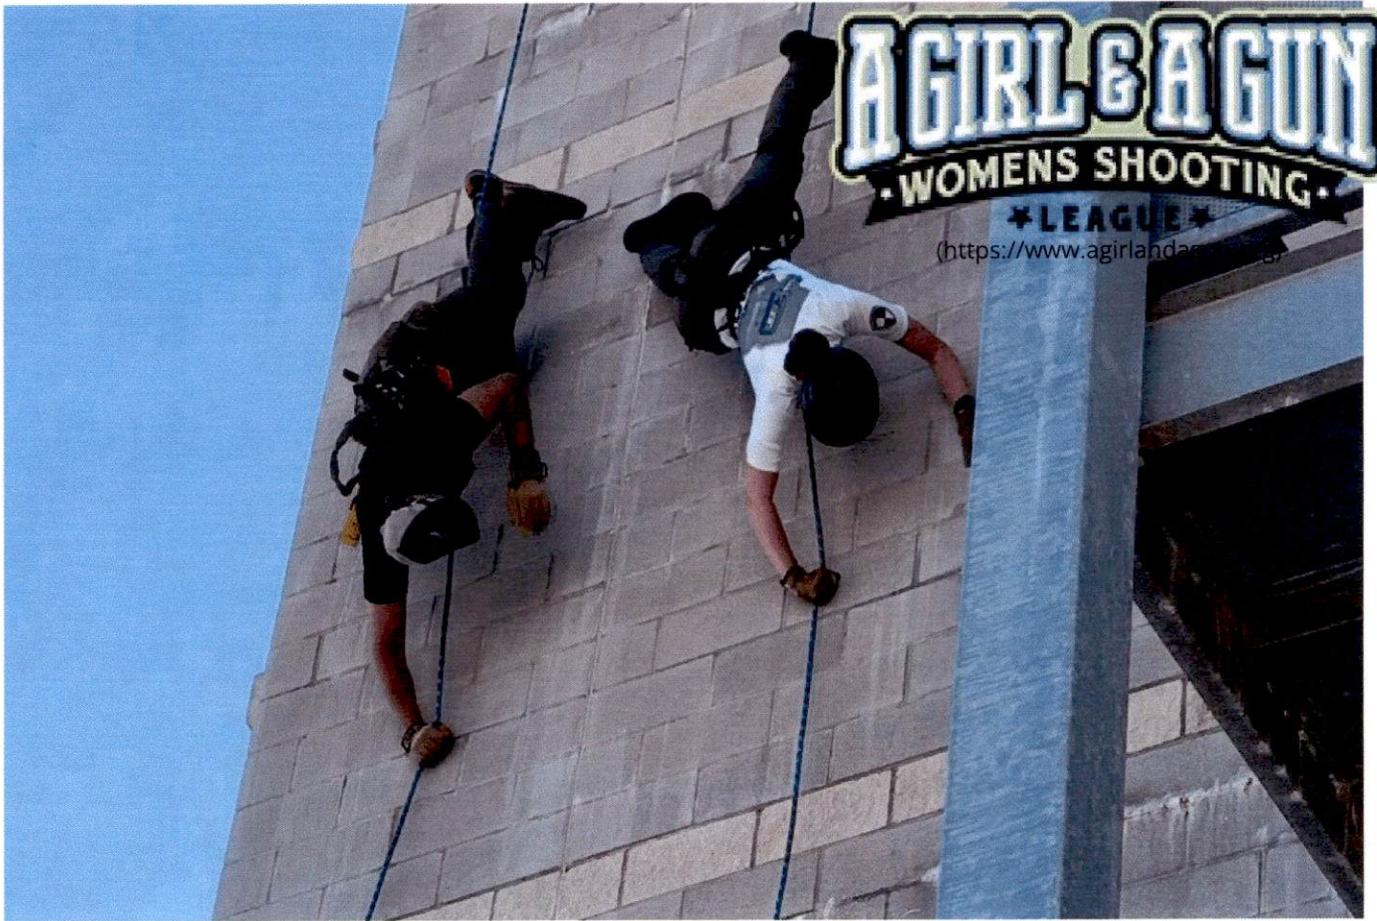

## Defensive Tactics

(<https://www.agirlandagun.org>)

Roll on the mats with other strong female officers and learn from female instructors who make DT fun!

## Professional Development

Run drills that include force-on-force. Single-officer clearing and patrol exercises build confidence!

## Dates & Agenda

**11/4/25:** Travel Day, Welcome Dinner

**11/5/25 Day 1:** Firearms Training

**11/6/25 Day 2:** Vehicle/Obstacle CQB, Clearing Tactics, and Team Building
